Dear Dora:

I don't know how I can ever thank you enough for all the many things you do for this Diocese. It is on my mind now to thank you for the wonderful job that you did with the Archbishop's Garden Party and the preparation and implementation of that whole affair. The way in which you handled the tremendous job of the tickets was just beautifully executed and I think you are to be commended very highly.

The whole visit of the Archbishop was an outstanding one and I think we can all feel very blessed to have had him with us for that short period of time. This comes with my best wishes and my deepest thanks to you for all that you did to help make this affair such a lovely one.

Faithfully yours,

The Rt. Rev. Edmond L. Browning
Bishop
