CONTINUATION OF PARISH REPORTS

“Whenever the sounds of the
world die out in the soul, or sink
low, then we hear the whisperings
of God. He is always whispering
to us, only we do not always hear,
because of the noise, hurry, and
distraction which life causes as it
rushes on.”

BISHOP BURLESON'S RETURN.

I am sure that we are all very happy over the fact that Bishop Burleson is to return to us on April 12th. to stay five or six weeks. I think that he left with a soft spot in his heart for Honolulu which will make him glad to pay us another visit. He expects to leave Sioux Falls about March 25th. but whether to go to New York or to come on to his relatives in California he does not say. He has asked me to arrange an itinerary again for him. He suggests that most of his time might be spent in Honolulu as all the confirmation classes were looked after during his last visit to the other Islands.

His visit cannot help but do us good. His natural goodness together with his wonderful executive ability is an inspiration to anyone who comes in contact with him. May his visit be as full of blessing to us and of enjoyment to him as was his first visit.

W. Ault.

KOHALA

I have been asked to furnish a report of each of the four churches in this parish. At each church the work seems much the same, we, like others, have our up's and down's.

We are happy to report that we are free from debt at the end of 1928. Each church having a small balance, on the right side.

Some time ago the writer commenced an endowment fund for the upkeep of St. Augustine's Churchyard, which has now reached the sum of just over four hundred and fifty dollars.

Had this fund been started years ago the amount would have been such that the interest from the endowment would have paid the care of the graves. It is hoped that those with loved ones buried there, will, say, on the anniversary of their death, send a donation

yearly to this fund; only in this way can the perpetual upkeep be maintained.

All the property at S. Augustine's is in good repair, plans have been made already for the papering and painting of the windows in the Church, and several rooms in The Rectory are to be painted

At S. James' Church, Kamuela, the services have been held each month, unfortunately it has rained on several occasions during the winter, interfering with the attendance. At present it is pioneer work, but others will reap the result in years to come.

At the Korean Mission, services have been held regularly, several of them have left during the year, leaving just a small handful of them, but they are very faithful in attending the service provided for them. S. Paul's Church goes ahead, a small band of young workers are a great help to the work there.

When I am in Waimea the service is conducted by these young people. One gives out the hymn numbers and notices, another reads the psalm, another the lesson, another the prayers, each month different ones taking their turn.

It is a pity we cannot use our Parish Hall there at night, not having electric light, this part of the parish is at the end of the road, and there is nothing in the way of recreation for the young people there. A well conducted Church club would mean a whole lot to them bodily and spiritually.

The Hall and the Church are wired, all that is needed is the plant, this with fixtures will cost just over one thousand dollars. S. Paul's members paid for the wiring, which cost them two hundred and seventy five dollars.

During the year they have added several things in the way of equipment for the Hall.

HOLY INNOCENTS', LAHAINA

The Woman's Guild, under the Presidency of Mrs. William Kaluakini, has held monthly meetings during the past year, and of its funds has contributed for Apportionment and other purposes, the sum of \$185.71.

The Men's Club, at its meeting for the election of officers recently, made Henry Chung, President; Norman King, Vice President; Roger Leong, Secretary; S. Haramoto, Treasurer; Albin Wechtler, Auditor; William Kaluakini, Jr., Sentinel. During the year

1928 it spent from its funds the sum of \$147.65 for the improvement and upkeep of Church and Hall property.

The Church offerings for the past year have amounted to \$140.66, and have been applied on salary of Priest in charge.

It is with regret that we part with Mr. S. Haramoto, who is leaving Hawaii shortly for New York City. He has been our Church Treasurer for a number of years since the death of Mr. F. N. Lufkin.

Messrs. L. M. Vetlesen and Arthur Restarick are appointed delegates to Convocation.

REPORT OF SECRETARY OF THE WOMAN'S AUXILIARY OF ST. CLEMENT'S CHURCH FOR 1928

During the past year we have held nine meetings with an average attendance of thirteen members, our membership at present being twenty-three.

The Tuesday Sewing meetings of the Guild and Auxiliary, which were held almost continuously this year, even through the summer months, resulted in the making of a very large number of garments for the children at St. Mary's Mission, but as the report of the Woman's Guild will probably go into this matter in detail, it is unnecessary here to do more than give a list of the box work which we, jointly with the Guild have been responsible for.

A box of Christmas gifts was sent to St. Mark's Mission in Nenana, Alaska, valued at \$50; Clothing made for St. Mary's Home for Children, \$150; Clothing made for St. Mary's Home for Children During Advent for Christmas, \$60; Box of provisions at Thanksgiving for St. Mary's Home, \$45; Christmas Boxes of gifts sent to Kapahulu and Makapala, \$75; Total, \$380.

These valuations are, of course, ap-

proximate, but they have been very conservatively computed. All our assessments and pledges for the year were paid in full, besides which, substantial gifts of money have passed through our hands and are shown in our accounts, which make our financial statement quite a remarkable achievement for our small Auxiliary.

During Lent Mrs. John Ely held a series of very interesting Mission Study classes, using the Text Book "The Church Awake." From 6 to 8 of our members attended these classes, while others attended classes on the same subject held at St. Andrew's by Mrs. D. N. Carpenter.

Respectfully submitted,
M. I. Mist, Sec.-Treas.

S. MARK'S MISSION ACQUIRES ADDITIONAL LAND

During the recent survey of The Church's work in the Islands, made by Bishop Burleson, Assessor to the Presiding Bishop, the real need of more ground for the proper and potential development of S. Mark's Mission was carefully noted. Before the Bishop's departure, an option upon three lots, contiguous to the present property held by the Mission, was obtained. Upon one of the lots, facing Campbell Avenue, there stands a neat 2-bedroom cottage, which has only been completed about two months. Altogether, the three lots contain something over 11000 square feet, and have frontage both upon Campbell Ave. and Kapahulu Road. Bishop Burleson, though seeing the need and the exceptional value to S. Mark's, could promise no help, but so impressed was he as to the importance of obtaining this property, he did say he would see if anything could possibly be done, as soon as he returned to New York. The only possibility

seemed the chance that absolutely all monies from undesignated legacies had not as yet been allocated. The option expired upon February 25th, and upon the 23rd word was received that an expenditure up to \$6000.00 could be counted upon. The original figure was a little over \$6400.00, with 5% off for cash. Other parties wanted part of this land and were making offers, they to use it for commercial purposes.

Needless to say we are happy and consider ourselves very fortunate, in that the land is to become part of S. Mark's property. Further that the matter of building a new house for Mrs. Williams, the one she now occupies being on its last legs, is solved. We are deeply grateful to Bishop Bursleson, and trust that the Mission will prove worthy of the help given it. Now let us erect a Parish Hall commensurate with the needs and possibilities.

WOMAN'S AUXILIARY NOTES.

The March meeting of the Executive Committee of the Honolulu Branch of the Woman's Auxiliary was held at St. Clement's Church on the 6th. The Holy Communion, celebrated by Bishop McKim, was followed by business meeting in the Rectory, with the President, Mrs. William Thompson, in the chair.

The news that Mrs. Thomas E. Wall, our Treasurer, was recovering from her severe illness was received with great pleasure.

Mrs. Judd, Educational Secretary, reported that the Diocesan Study classes on "The New Africa", being led by Mrs. Dudley Carpenter on Thursday mornings during Lent, are well attended and keen interest is being shown in this interesting subject.

The report of Miss Gertrude Hall, Supply Secretary, showed that the Diocesan sewing days are being well attended and each Friday sees a busy

group of women from each of the Missions in Honolulu hard at work for Easter School, Baguio, P. I. and Iolani School, Honolulu.

Mrs. Arthur G. Smith, Chairman of the Altar Department, reported that the new altar and reredos for the Seamen's Church Institute has been designed by Canon Kieb, is being executed under his direction and will soon be ready for consecration.

Mrs. H. McKay Harrison, Secretary for Oriental Work, reported that the Fund for the support of a Leper at Kusatsu, Japan, for this year, amounted to \$134.00 and that this amount would be handed to Bishop McKim on his departure the following day.

Mrs. Thompson reported that the net amount of the collection on the World Day of Prayer for Missions, held at Central Union Church on February 15th, was to be turned over to Mrs. Walter R. Coombs, Chairman for St. Luke's International Hospital, Tokyo.

It was suggested by the President that we keep before us the matter of the Synod of the Province of the Pacific which meets this year the last week in April at Santa Barbara, so that in the event of any of our members being in that vicinity at that time, they may be appointed delegates from the Missionary District of Honolulu.

Mrs. S. Homer Hayes, Chairman of the Kapahulu Building Fund Committee reported that the amount on hand was about \$2600.00, leaving \$1400.00 still to be raised by the Auxiliary before Convocation. The Committee extends its appreciation and thanks to the following additional contributors to this Fund up to March 15:

Miss Ann Hadley, Mrs. Robert Lange, Mr. and Mrs. George Bishop, Mrs. G. A. Batten, Rev. and Mrs. William MacClean, Mrs. H. Shelton, Mrs. Albion F. Clark,

Mrs. David Anderson, Woman's Guild, Wailuku, Mrs. James Wakefield, William F. Smarz, Miss Elizabeth Matthews, Mrs. Paul Rushforth, Anonymous,

Miss J. M. Barnard, Miss Margaret Furse, Miss Maud K. Farden, Miss D. Bryant, Miss C. A. Christenson, Mrs. Catherine S. Hayselden, M. A. Woodward,

Mrs. Mortimer Matthews, Mrs. W. H. Soper, Mrs. C. M. Wilson, Mrs. Stuart D. Lansing, Mrs. Tom Sharp, Mrs. Wm. A. E. Breck, Mrs. Thos. E. Wall.

Now that the money to purchase the adjoining land has been secured by Bishop Burleson from the National Council, we are even more enthusiastic about securing an adequate building to serve as Parish House, Kindergarten and social center for St. Mark's Mission, Kapahulu and we hope that those who have not already given will be convinced of the urgent need and give generously.

**REPORT OF THE REV. DONALD
R. OTTMANN, ST. ANDREW'S
CATHEDRAL—FOR YEAR
1928**

Honolulu, T. H.

Jan. 23, 1929.

To the Vestry and Hawaiian Congregation of St. Andrew's Cathedral
My Dear People:—

It is but natural that the first thing we note at this time is the loss of our beloved Bishop, the Rt. Rev. John D. LaMothe, D. D. who passed from this life into Paradise, the Blest, just two months before Christmas. May His soul rest in peace and light perpetual shine upon him. His passing robbed the Hawaiian folk of a devoted Bishop, a loving Father in God, a sincere friend. We shall miss him. There is but one

way to show our real regard; by carrying out those precepts he taught us, and doing for Christ and His Church that which he wished us to do. His departing words to your Priest were—"Carry on!" Let us execute that commission with trust in our Heavenly Father and in one another.

This consideration leads us, most naturally, to thankfulness to the Presiding Bishop for his thoughtfulness of us, and the sending into our midst of the Rt. Rev. Hugh L. Burleson, D. D., Bishop of South Dakota and Assessor to the Presiding Bishop. We welcome him and extend to him our Aloha, sincerely hoping that as we profit by his loving service now, even more so shall we reap the fruits of his visit, in the selection of a successor to our late beloved Bishop. We hope Bishop Burleson will return not only having helped us, but finding himself enriched by his coming to Hawaii.

Several things during the past year have made me extremely happy. First I would note that there is, at last, a much better spirit of cooperation amongst the various groups that comprise our Congregation, and this is a big factor in carrying out successfully our work. Again, each branch, in its respective work, has done very well. There are no complaints to make in any direction. I must again express my appreciation of the splendid spirit and sympathetic attitude of my vestry. They have shown themselves to be earnest, sincere, kind and courteous. It has been a real pleasure to work with them. One noteworthy point of the vestry is that they do not feel themselves to be a body which merely deals with the economics of the work, but that they are likewise responsible for the spiritualities.

May I say that as I listened to the report of the Dean in regard to the in-

adequacy of the Parish Hall to meet the needs of his Church School, my emotions were a mixture of joy and sorrow. I was glad his school was large enough to need bigger and better quarters, sorry that he did not have them; extremely sorry that our Church School was not large enough to need the space offered by the Parish Hall, regretful too that we did not even have any Parish Hall to use, but glad that through the kindness of Sister Olivia we were housed in rooms at St. Andrew's Priory. I wish to thank Sister Olivia for her kindness, and at this time thank those young ladies of the Priory Staff who have, from time to time assisted us in teaching the children. Our Church School is pitifully small. The parents of our children should think earnestly upon this problem. If they believe in Church instruction for their children they should believe in it strongly enough to see to it that they are enrolled and attend the Church School. Under the present happy arrangement, parents can attend the Church service and at the same time their children may be trained in the Church School. One wonders if some children do not come because it might entail a too regular attendance upon public worship on the part of the parents. I am anxious indeed about this phase of our work, for—no Church School eventually means no growing Congregation. I commend this to your thought, your prayer life, and, God grant, your action.

One or two outstanding facts should be mentioned here. You have been a Congregation that always has worked well, yet the burden has too frequently been borne by a few. A few years back we had an Every-member Canvass. We did fairly well. We then let that method of caring for our finances drop. I have always favored it, having had much experience with it. I again ap-

pealed to my vestry to try it again this year. At first the vestry, as a whole, was not "sold on the proposition," but they agreed to it, and they then backed it up. In this all-important work the Hoaloha Club, the Young People's Service League, became truly interested, with the result that approximately a dozen offered to assist. The Canvass was, I claim, a real success. Whereas last year we had 67 pledges, this year we have 117. In 1928, \$1263.60 was pledged for our own work and \$647.40 for Missions. This year, we have pledges for ourselves totaling \$1869.60, and for Missions \$1164.60, showing a gain, for ourselves of \$606.00 and for Missions of \$517.20. Since these figures were compiled we have added 3 or 4 pledges. This is splendid. We all pulled together! Let us keep together in seeing that all pledges are paid up. Next year we will do even better. Last year we freed the District Board of Missions of the help of \$300.00 which they have, for years, been giving us. That is a step in the right direction. We free \$300.00 for other work and are a step nearer self-support.

On July 13th your Priest was officially appointed Canon of St. Andrew's Cathedral, on the Poomaikalani Canonry. This does not indicate that he is "some gun," but rather that he must arrange a good programme as a target, take good aim, and do his best to make a bull's eye.

As Priest-in-charge of St. Mark's Mission, he reports that on June 15th, 1928, Mrs. C. C. Black resigned as Superintendent of the Mission. She had labored long and faithfully, and much credit is due Mrs. Black for the ever-growing work at St. Mark's. May God bless her to do His will in whatsoever field she may labor in the future. Canon Ottmann feels particularly happy in being able to secure the services of

Mrs. Reta Williams to succeed Mrs. Black. She has been at St. Mark's since September, is laboring faithfully and efficiently, and I believe is happy in her labor. Her husband, Mr. Charles Williams is a splendid partner, and has done much for the mission. Miss Virgie Mossman, who formerly taught at St. Mary's Mission, assists Mrs. Williams in the work of the kindergarten. She is exceptionally fine with the little children, works conscientiously and happily. So we feel that, at present St. Mark's is well staffed. In connection with this Mission let me say that the District Branch of the Woman's Auxiliary is now taking in hand the erection of a new building to be used as a combined kindergarten, Church School building and Parish Hall. To this end they hope to raise \$4000.00 this year. The Men's Club of our Congregation, Hoaloe Club and Manulani (the Y. P. S. L. of St. Mark's), working together will endeavor to raise \$1000.00 to care for lighting, plumbing and furnishing the new building with seating facilities. We do badly need more land for playground and future development, and hope it may be attained. At this mission, as you have learned from Mrs. Williams' report we are crowded to overflowing, and turning down splendid opportunities. But we are growing, forging ahead; have a truly devout group of Communicants. May God bless every effort in behalf of the work. I feel I can speak freely of this work, as I have labored for approximately 6 years in this field without one cent of remuneration. I am glad to serve, in the hope of seeing the Church in this District prosper.

I have the following personal activities to report:—

Celebrations of Holy Communion—212 (11 at Mausoleum).

Services of Morning Prayer—56.

Services of Ante-Communion—4 (1 at

Mausoleum).

Services of The Litany—9.

Total—281.

These do not include school service each Wednesday and Saturday for the Priory, or one each Friday for St. Mark's, during the months of school. Nor does it include 32 private Celebrations of the H. C. with the sick.

Assisted at 1 ordination. 28 hours of instruction to young people. 33 hours of Confirmation Instruction. 25 Conferences in re-personal problems. 4 Confessions. 9 Addresses. 132 Sermons. 44 Baptisms. 9 Confirmed. 15 Burials. 7 Marriages. 776 Calls—205 on well folk, 571 on sick and shut-ins.

The following persons of our Congregation have departed this life during the year 1928:

Williams MacKenzie, Stephen Mahalulu, Christopher Willis, Arthur Miranda, Maxwell Mattson.

Mrs. Alfred Johnson, Miss Lucy K. Peabody, Mrs. Emily Hickey.

Prayer for the Departed

One of the happiest occasions in years was the attendance of Mrs. H. Homer Hayes at The General Convention in Washington. Mrs. Hayes has the distinction of being the first woman of the Hawaiian Race—as far as I am able to ascertain—to attend a General Convention. This privilege has not, as yet, been enjoyed by your Priest. I am told by Mrs. Judd that Mrs. Hayes was a splendid representative, and I know that she has had her Church life broadened in vision and deepened in sanctity by this experience. May this be but a beginning is my hope and prayer.

One last word—Four of our girls have finished school and entered training to become nurses:

Miss Leta Greig and Miss Marion Greig from the Priory to Queen's Hospital.

Miss Harriett Kuwamoto and Miss Rose Yap from St. Mark's Mission to

St. Luke's Hospital, San Francisco.

Thanking all for their kindnesses to me, their labor and their prayers and gifts, I bid you Aloha nui loa! God Bless you.

Faithfully yours,

Canon D. R. Ottmann.

THE ANGLICAN COMMUNION IN JERUSALEM

Holy Week and Easter in Jerusalem! Every year one or another of our popular magazines features this interesting topic, usually presenting a picture of ancient ceremonial pageantry, brilliant against a sordid background of religious rivalry kept within "reasonable" bounds by armed guards.

The picture is so familiar that clergy and laity, even the most prominent, ask, "Why the Anglican Church in Jerusalem? Why add another to the rival Churches? And why maintain a priest of the Episcopal Church in the Holy City?"

There are many appropriate answers to the above questions; but perhaps the best is, "To bring harmony where discord prevails." If the Holy Sepulchre has been a center of strife, St. George's Anglican Cathedral in Jerusalem is a center of peace. Before its altar Jews and Mohammedans join with Christians of every kind for special services of thanksgiving to Almighty God.

This alone would justify the existence of the Anglican Communion in Jerusalem. Bishop MacInnes and St. George's Cathedral represent not only the Church of England but of Canada, Australia, South Africa, India and Episcopal Church of the United States. Bishop Garland of Pennsylvania is one of the Canons, and the Rev. Charles Thorley Bridgeman, our American Educational Chaplain in Jerusalem, is on the cathedral staff of clergy. It is an

unparalleled type of service that the whole Anglican Communion offers in the Holy Land. In addition to its normal ministry to English-speaking residents and tourists it devotes itself to the Presentation of the Gospel to both Jews and Moslems, through churches, schools and hospitals. The maintenance of friendly relations with the Eastern Churches is assigned to the Rev. Mr. Bridgeman, a priest of the diocese of New York.

FROM MISS MARIE VON HOLT

The Hastings, Sussex, England papers announce the death on Dec. 31st of Dr. Matthew Makalua in Hastings at his residence on 30 Warrior-Square. Some of the older residents of the Islands will be interested to hear of this as he was in his early days a pupil or student at Iolani College when it was on Bates Street, in the days of the Rt. Rev. Bishop Willis. A lady from Hastings writes that Dr. Makalua was so kind to his poor patients, often treating them for nothing. He was rather depressed after his wife's death last year but became quite bright and well and died very suddenly.

FROM THE CHURCH GAZETTE, SUVA, FIJI.

THE TYPE OF MAN WE WANT.

A letter from the Churchwardens of Slocum-cum-Slugbury to the Patron of the Living.

Dear Sir,—In reply to your enquiry as to the kind of man we require as future Vicar of this Parish, we desire to have a man of first-rate ability and attainments: not too old, lest his faculties should be impaired, nor too young, lest he should be inexperienced. He should not be too High, as there are some very moderate people here: nor too Low as there are

some of advanced opinions. He should be an eloquent preacher, who would appeal to the educated, and yet at the same time not be above the heads of the simple. He must be of irreproachable manners, as he will have to mix with members of the peerage; but he must also accommodate himself without any condescension to the illiterate. He must have some musical gifts as our service are musical, and he will have to teach the choir. A gift of kindly and sympathetic ministrations to the sick is imperative, as well as an intimate knowledge of the working of Church Schools.

It is necessary that our new incumbent should be good with children, bright, cheery and a good disciplinarian, for we have no Sunday School teachers and it will fall to his lot to teach all the children on Sundays.

We desire to have one who is a good organiser, to deal with the various societies in the parish, and of good business ability in managing accounts. As he will frequently be consulted by people in difficulties, he should possess some knowledge of law and the making of wills. Literary qualifications are essential as we wish our parish magazine to be interesting, instructive and informative.

He should be thoroughly at home at Mother's Meetings, Dorcas Meetings, Girls' Friendly Societies and the like. But at the same time we particularly desire a manly Vicar who will appeal to the men of the parish and take an interest in them and share their sports. He will be expected to play football in the winter and cricket in the summer and billiards at the Men's Club, while the young ladies of the parish will require him to play tennis, and some of the residents will look for him at the golf links. If he can ride a horse it will be all to the good, and to play a

good hand at bridge is almost essential. An occasional game of chess and piquet will certainly be required of him.

And lastly, he must be possessed of private means as he will be unable to live on the income of the benefice.

Trusting that we have made our wishes clear, we are,

Faithfully yours,

A. Brown) Churchwardens.

Dr. and Mrs. C. Montague Cooke left on Tuesday, March 19th and expect to be away until July.

PERSONALS

We extend a very hearty welcome
home to Mrs. H. M. von Holt who re-
turned on the last "Malolo" after a few
weeks spent in California with her daugh-
ter Hilda, Mrs. Sherwood Chapman.

After an absence of seven years, Mrs.
Newbury, sister of Mr. Guy Buttolph,
is again visiting Honolulu to the de-
lightt of her many friends. She is
staying at the Moana Hotel.

Mr. and Mrs. Eugene Blazier, (Eloise
Moore) and Miss Betty Wall have been
vacationing in a cottage near the Vol-
cano House on Hawaii.

A wonderful welcome was given to
little Miss Horner who came a few
weeks ago to gladden the hearts of her
parents, Mr. and Mrs. John Horner.

Mr. and Mrs. T. Clive Davies have
lately arrived from England and are
being warmly welcomed by their many
friends. They have moved from the
Moana Hotel to the Waldron home in
Nuuanu.

Mrs. Morehouse, better known around
the Cathedral Close as Miss Dorothy
Petley, passed through Honolulu on
March 22nd on her way to visit her
mother in Seattle. Many friends called
to bid her "Aloha" during the few hours
she spent with Deaconess Swinbourne.
Mrs. Morehouse was accompanied by
her little fifteen months old daughter.

News has come of the engagement of
Miss Carol Moore to Lieut. Malstrom,
U. S. N. The wedding is expected to
take place in Washington D. C. on April
27th. Her mother is with her and they
are now visiting friends in Florida.

OBITUARIES

Our sympathy is extended to Miss May Kluegel and her relations on the death of her dear Father on January 10th. He had been ill for a long time and suffered much but was always cheerful and happy. It was a joy to call on him. May he rest in peace and may light eternal shine upon him.

May the God of all comfort help Mrs. W. Danel on the sad death of her sister Miss Lena A. Higgins who passed on Feb. 20. Miss Higgins was a nurse at the Children's Hospital at the time she was taken sick with pneumonia. Her devotion to duty made her stay at her work too long. May she rest in peace

near her Saviour whom she loved so dearly.

On March 9th there passed to her Great Reward Mrs. F. J. Greenfield, a very wonderful woman and deeply beloved. She was the widow of the late Dr. Greenfield who practiced his profession so faithfully on the Hamakua Coast for many years. May light perpetual shine upon her and may comfort be given to her sorrowing children.

Our deep sympathy also goes out to Mrs. E. Wolter and her three boys. Her husband had been ill for some time and after a hard fight passed to the "Great Beyond" on March 18th. May God bless and help her in this her sad hour of trial.
