Past, Present and Future

Mr. T. J. Hollander, our past treasurer, Miss Blanche E. Myers, our present treasurer and Mr. Joseph Reed, who will be our Diocesan Treasurer after Miss Myers' departure to China.

Aloha Reception

Many friends attended the reception honoring Miss Blanche E. Myers on May 23rd, which was held at the Army and Navy Center and Diocesan House. It was under the direction of Mrs. Kenneth Day, President of the Diocesan Woman's Auxiliary, and Mrs. William Jarrett. Mrs. John Clarke of the Hawaiian Congregation was in charge of the floral decorations and they were very lovely, as they always are when she has a hand in their arrangement. Those assisting at the tables were: Mesdames Richard Trelease, Sydney Croft, Hollis H. A. Corey, Arthur Lyon-Vaiden, Y. Sang Mark, John P. Moulton, James S. Nakamura, Lawrence Ozaki, Arthur Roberts, Wai On Shim, Edmund L. Souder, Anson Phelps Stokes, Jr., and William Fraser and Miss Ethel Ito.

During the evening the Bishop presented Miss Myers with one of his crosses for distinguished service to the

District while she was here. She was also presented with an Aloha gift of \$600.00 from the clergy and congregations of the District in recognition of her faithful service to them.

She sails June 7th on the Lurline for the mainland, where she will have a three month's furlough before going to China. She has earned a most deserved rest and we hope her stay with her family will be a happy one.

Our New Diocesan Treasurer

Mr. Joseph Reed, recently of the United States Marines, is to be our Diocesan Treasurer after the departure of Miss Myers. Mr. Reed has been stationed in Honolulu and has seen action with the Marines in the forward areas during the war. His sojourn in the Islands made him eager to return to them and to bring his wife and young daughter out to enjoy them with him. We feel most fortunate to have him as Treasurer. Already he has won many friends in the Diocese.

Mr. Reed is tenor soloist at St. Andrew's Cathedral and has had a wide experience as a singer. He was accountant for five years with the Dixie Sand and Gravel Company, Petersburg, Virginia and four years auditor and bookkeeper for the State Board of Education, Richmond, Virginia. He has been soloist in church choirs for many years.

Mrs. Reed is an organist and choir director and the talents of this young couple will mean much to our Church in these islands. We feel that they are a happy addition to our Diocesan family and welcome them with great joy. We feel confident that Mr. Reed will foster the fine work of his predecessor.

Mr. Reed and daughter will arrive when transportation is available. She has been delayed in coming to join her husband because of the serious illness of her father.

We Shall See You In September

This is the last issue of the Hawaiian Church Chronicle until September. We take a vacation from going to press during the months of July and August. We sincerely hope that any who have not sent their subscription for the year will do so immediately, for the process of making our paper interesting by way of pictures is one that takes more than thought. It is an expense that we feel is well worth the price of cuts. Will you not help us to keep the cuts in action? Your subscription will be very much appreciated.

SON BORN TO THE LINSKOTTS

The Reverend and Mrs. Burton L. Linscott announce the arrival of a son, John, born May 25th, at Keala-kekua, Hawaii. We congratulate the parents on this very happy occasion.

Dr. Mildred Staley

Leaves For Molokai

The above fine picture was taken of Dr. Mildred Staley as she boarded the plane for Molokai, Monday, May 27th, with the following statement by the Honolulu Star-Bulletin:

Another adventure in the remarkable life of Dr. Mildred E. Staley, native born daughter of the first English bishop of Honolulu, began today. Dr. Staley is shown boarding a plane for the island of Molokai where she will take up residence with Mrs. Gwendolyn Shaw, former superintendent of Shingle Memorial Hospital. She has lived in Honolulu for many years after a lifetime of travel and service throughout the world.

Leaving this morning for the peace and quiet of Molokai was Dr. Mildred E. Staley, longtime Honolulu specialist in psychiatry and child culture.

Flying with William B. Morgan, Hawaiian Air Transport Service pilot, Dr. Staley will live with her old friend, Mrs. Gwendolyn Shaw, former director of Shingle Memorial hospital.

"Yes, I feel safe riding with the pilot," the diminutive doctor smiled confidently. "He used to be in my Sunday school class."

Eighty-one year old Dr. Staley who has flown "a half dozen times before" will return here in several months to store furniture. She plans to make her permanent home on Molokai.

Wearing a navy blue sweater bought in Canada and a perky straw hat, which the wind dislodged at intervals, Dr. Staley talked about early days in Hawaii, her work with the League of Nations, her wish for world peace.

Daghter of Bishop T. N. Staley, founder of the Episcopal church here and Iolani school, Dr. Staley was born in Hawaii.

"I remember when the republic's flag was hauled down in 1898," she said. "My, there were hundreds of Hawaiians mumbling and milling about the palace grounds."

Dr. Staley has been living in a cottage on the grounds of St. Andrew's Cathedral, founded by her father, and has been active in the entertainment of servicemen.

She has an alert and keen mind and has kept in close touch with the problems and hopes of scores of young men who visited her regularly at the service center.

A world traveler, Dr. Staley was educated in London, spent 17 years in medical work in India, was appointed by the British government to work among the Fiji islanders and was with the Serbian army during the first World war.

From New Zealand she came in 1928 to Honolulu, where she was delegate to the Pan-Pacific women's conference as representative of the Howard League of Penal Reform and the League of Nations association.

Decorated by France with the Croix de Guerre and by Serbia with the Order of St. Saba, Golden Crown, Dr. Staley commented on the league's failure.

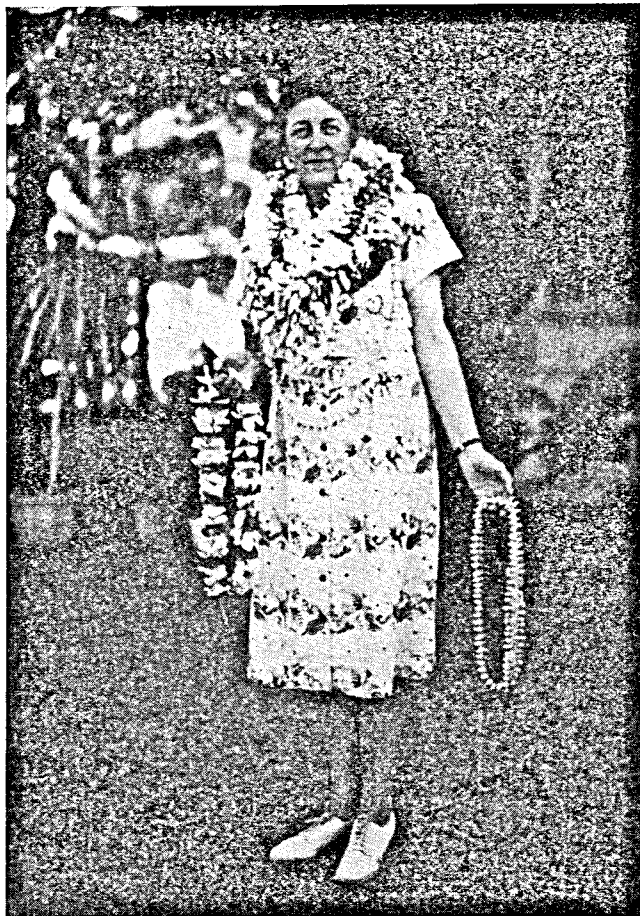

"Russia is withdrawing from UNO like the United States spurned the league," she declared. "How can we ever have peaceful settlements if we don't try to understand the other fellow?"

Mrs. Howard Moore

To Assume Duties at Army and Navy Center

Mrs. Howard Moore, of Colorado Springs, Colorado, arrived June 6th aboard the Lurline, to take over the duties as hostess of the Army and Navy Center. She is an ardent Churchwoman and one well qualified to undertake this important work, having had much experience as a Gray Lady and assisting in USO work. We feel very sure that she will be a gracious and happy addition to our Diocesan family. A splendid corps of hostesses, Mesdames George Bignell, Anne Wear Smith, H. Hebert, T. Angell, Emily Norton, James Russell and the Misses Anna Danford and Marguerite Bryant, has been filling in the gap of Chaplain Reese's departure and the arrival of Mrs. Moore and much activity has been in progress at the Center.

The Army and Navy Center Committee met with the Chaplains on Oahu and explained the use they might make of the Center. A very fine response came from them and they have started making more use of the Center, and have made it known to their men.

In this day of prolonged waiting it makes a very happy source of entertainment for the young men stationed here. They have found that it is truly a "Home Away From Home" and enjoy the entertainment provided for them.

A FORWARD ENTERPRISE

The Men's Club of St. Andrew's Cathedral Parish are to be commended for the very outstanding step forward they have taken to the work of our Church in the Islands. They have underwritten the producing of a moving picture showing how the Church has developed in the Islands, what we are doing now, and in some way anticipating future work for the Islands.

They have engaged Mr. William Albee, formerly employed by the National Geographic Magazine, to take the pictures. He is a talented photographer and we feel confident that he will do a superior piece of work for the Islands. It is something that we have needed for a long time, and we are fortunate to have this opportunity present itself. Mr. Albee is now taking pictures for the Chamber of Commerce of Hawaii, so as he makes his travels to the other islands, he will also visit our missions. He will complete the picture in time for our young people to take it with them as they tour the mainland to General Convention, and the Bishop will use them in connection with his mission talks following Convention. We feel they will do much to knit our churchmen on the mainland to our work here, and that they will have a broader conception of what we are hoping to accomplish in the name of our Saviour. Mr. Robert Ingram, President of the group, is working with Mr. Albee.

Report From Our Delegate

Mr. and Mrs. Calvin Crawford attended the meeting of the Twenty-seventh Synod of the Province of the Pacific, held at St. Mark's Church, Berkeley, California. Writing to the Bishop, Mr. Crawford, a member of St. Stephen's Church, Wahiawa, states: "The Twenty-seventh Annual Synod of the Province of the Pacific was an outstandingly successful meeting. I thought. Attendance was very good, speakers were excellent, and a great deal of important Province business was transacted. I am sure you will receive detailed reports and minutes of the proceedings from the secretary of the Province, therefore let me briefly list some of the events that particularly impressed me.

"The address of the Rt. Rev. Edward Parsons, retired Bishop of California, in which he appealed for Church leadership and for Church unity as the key to that leadership was inspirational. Bishop Parsons appeal and his work for unity in the Christian Church should be a challenge to the young men in the Church. Young men in the Episcopal Church can devote themselves to no higher challenge than the unification of Christ's Church.

"During morning services on the first day of the Synod, the Rt. Rev. William Fisher Lewis, Bishop of the Missionary District of Nevada, and during the concluding services on the second day the Rt. Rev. Arthur Barksdale Kinsolving, Bishop of the Missionary District of Arizona, gave us wonderful messages, praying that the business and many words of the Synod might really be taken into our hearts and into our lives and be reflected in our faith of God and devotion to His way.

"The Rev. Charles Whiston, director of the Church Divinity School, reported on Church schools for youth of elementary and high school ages. From a questionnaire survey sent to Bishops and priests he found such schools were generally inadequate and under the direction of untrained personnel with little or no coordination between diocese and the parish. He recommended action by the Province Council and the individual diocese.

"A report by the Rev. Henry H. Shires, Dean of the Church Divinity School of the Pacific, was critical of the entire youth program of the Church and of the interest of the clergy in youth work.

"Bishop Lewis of Nevada, who has been chairman of a committee to study Church work among college groups reported on their findings. The work is very important; college enrollment is increasing rapidly. At present no coordinating work is being done between college groups and many colleges are without Episcopal leadership. A Provincial Secretary for College Work is urgently needed; \$5000.00 per year will be required for the budget of such an office. \$2000 has been appropriated by the National Council and another \$300 is requested from the Province. It was left with the Provincial Council for action.

"There were other excellent and important addresses and reports and items of business, but these particularly impressed me—first, Episcopal leadership in devotion to the unity of the Christian Church, and, second, the bringing of the Church to young people. It was a pleasure and privilege to serve as delegate to the Synod."

We feel we were most fortunate to have a young man of Mr. Crawford's calibre to represent us at the Synod. We know we shall benefit from his attendance.

IN APPRECIATION

The Reverend John D. Bodger of the SubDean Cathedral Church of S. S. Peter and Paul, Dogura, Papua, at the time of the tidal wave disaster, sent a most sympathetic letter to the Bishop, enclosing a check for fifty dollars to alleviate the suffering of the families who suffered loss and distress from its effects. He wrote "We have been shocked to hear of the damage and suffering that has come to your Diocese as a result of the tidal wave of yesterday, and I hasten to send a contribution from Dogura to any relief fund which you may be raising to help those in distress. The wonderful thing about radio is that it enables one to keep intercessions and prayers up to date and current and so I need not tell you that you and your flock were remembered in our prayers at Compline last night and at the Altar this morning. We endeavor here to keep our people aware of our oneness with the rest of the world and recently sent over \$80.00 to Europe for relief in Britain and \$20.00 was sent to Chile during the time of their severe earthquake. Bis dat qui cito date (he gives twice who gives promptly)."

This thoughtful gesture of helpfulness has meant much to those who benefitted by such friendly aid. The check was sent to the Rev. Harold Willmot Smith on Kauai who had many families to help in his Church. To say we are deeply grateful is hardly adequate expression of what we feel to our friends in Papua, but we send them appreciation and our warmest Aloha. Many others have joined in sending relief to these stricken families—our churches in Honolulu joining in this.

The May Queen and her attendants

May Day at the Priory

From the Ke Kukui

The Priory celebrated its first May Day since 1944 with a colorful Hawaiian pageant. Queen for the day was lovely Irmalee Adams, a junior. Mistress of ceremonies, Juanita Stephen, reminded us that only Hawaii could calendar such a novel holiday honoring the spirit of friendliness in a land where 365 days of the year are devoted to laughter and the enjoyment of living.

A Hawaiian chant announced the coming of the queen. Students, teachers, parents, and friends stood up in respect for the queen. Stately queen Irmalee, clothed in a dazzling white holoku with strands of white plumeria wreathed about her neck, walked slowly to her throne. Before she was seated she was crowned queen of May Day festivities by Bishop Kennedy. Bishop Kennedy assisted the queen to her throne, which was covered with yellow day lilies. Kahili bearers preceded the queen.

Dreamy Hawaiian music was played by the orchestra as the queen mounted to the throne accompanied by the princesses of the islands. They were: Jacqueline

McKee (Hawaii), Caroline Lee (Kauai), Virginia Farley (Molokai), Ramona Lew (Lanai), Emma Rodenhurst (Niihau), and Josephine Wright (Kahoolawe). Each of the princesses was gowned in holokus, the color of the island they represented; and they wore leis made of their island's flower. Lovely ladies-in-waiting wore a powder blue holoku, a long white plumeria lei, and wore white plumerias in her hair.

An impressive pageant of Hawaiian flowers, the hibiscus and the carnation, followed the enthronement. Talented Hula dancers added to the beauty of the occasion, and the Hui Hauoli members presented a beautiful selection of musical arrangements. Much credit must be given to Mrs. Emily Taylor, Romona Lew and Martha Makaiwi for their understanding and expression of May Day.

YOUTH OFFERING GOES TO PHILIPPINES

The United Youth Offering received on Youth Sunday, October 21, 1945, for aid to children at St. Luke's Hospital, Manila, reached a total of \$11,880 on January 25 with contributions still coming in.

In Memoriam

Dora, the wife of the Reverend William Arthur Roberts, Vicar of St. John's-by-the-Sea, Kaneohe, and St. Christopher's, Kailua, passed into eternal life on June 8th. The burial service was held at St. Andrew's Cathedral, Sunday, June 9th, at 2:00 p. m., with all the clergy on Oahu in procession and the Bishop reading the service. In the thirty-nine years of her life she had served the Church and the Kingdom of God in a way that can make us all grateful for the privilege of having known her. She had trained as a Church Army Sister and had given ten years service in England before coming out here. She married the Rev. Mr. Roberts in the Cathedral in 1939 and worked with him on the Hamakua coast of Hawaii before coming to Windward Oahu. Her devout faith and strength in her illness was a profound lesson of the great courage that can come from the Christian way of life. May God take her into His nearer presence and may His spirit comfort her husband and little daughter, Elizabeth, and her sister, wife of the Rev. Harold Willmot Smith, of Kauai.

To Leave For Philippines

Miss Mabel Schaeffer will leave the first part of August to take up work as a teacher in the Philippines. She will be under Bishop Binsted and though we regret her resignation, we feel that she is undertaking a very worthy work. As director of Cluett House she has done a very fine piece of work, not only in keeping the House financially sound, but in directing the lives of the young women under her guidance. We wish her every success in her new work and send her forth with a sincere Aloha. She has a host of friends in Honolulu who will miss her greatly. Mrs. Kahiwa Lee, of Hilo, Hawaii, will arrive August 1st to become Matron of Cluett House. We feel she will be a charming addition to our Diocesan family. She has been a member of the Vestry at Holy Apostle's Church and a public health nurse on the Island of Hawaii. She has a daughter, Pauline, who will come with her and attend high school in Honolulu.

A Note of Interest For Holy Trinity

A new Hammond organ has been installed at Holy Trinity Mission. They are more than pleased to have this new improvement to the Church. The Reverend Lawrence Ozaki is to be commended for starting the organ fund that has made this needed and splendid addition possible.

Clergy Conference To Be Held

The clergy of all the islands will be in Honolulu July 9th and 10th for a Conference. Many points of business that concern the clergy and churches will be taken up at that time. The Bishop will lead the discussion periods.

Gift to the District

The Reverend Frederick Oakes, retired, of the Diocese of Colorado, has sent a very beautiful Chalice and Paten to the Bishop for his use in the Cathedral. It has been given in memory of Mrs. Eva Smith Cochran of Yonkers, New York. It is of exquisite workmanship and will be a cherished possession of the Cathedral. The Rev. Mr. Oakes, a devoted friend of the Bishop, was anxious to have it in a missionary diocese. It had been given to the Rev. Mr. Oakes by members of the family of Mrs. Cochran. His thoughtfulness in presenting it to the Bishop means much to us. It has special significance to the Bishop coming from his friend of long standing for he is a devout priest of the Church, even in retirement.

TO RESIGN

Miss Mabel Catlin, treasurer and bookkeeper of Shingle Memorial Hospital, has recently returned from a vacation trip to the mainland. Just before her arrival on the Matsonia, word came that her home on Molokai had burned to the ground, with nothing saved. Because of this tragedy, she feels that she will make her home in Honolulu after the middle of August, so has sent her resignation to the Bishop. We regret that she feels she can no longer act in this capacity, for she has been excellent in her work. Mr. T. J. Hollander assisted her during her absence on the mainland, but is unable to continue with this work. He will return the latter part of June to live in Honolulu. We are now looking for a person to fill this important post. Any applicants or suggestions for applicants will be very much appreciated.

Gardens Grow In Hiroshima

What we choose to regard as the biggest story of the year came in a letter a few days ago from a United States soldier in Japan to his parents in Oregon. "Gardens are growing green in Hiroshima," he said.

A piercing ray of hope in this fear-shrouded world! Graphic evidence of the irrefutable presence of an omnipotent power, working through a bounteous nature and in the hearts of men, everywhere.

Gardens growing green, as a denial of the theory that we cannot hope for salvation from the atomic bomb or survive its aftermath. Nature knows not the dire predictions of scientists that the lethal effects of our death-dealing creations will render uninhabitable and sterile the lands they touch. Nature, as seen in the first burst of springtime, cannot be thwarted.

Hope springs triumphant with the return of green to the pockmarked, riddled shambles that was Hiroshima. It is of small concern, perhaps, in the halls of parliaments and in the busy marketplaces of a sensation-hungry world but it is big news that "gardens grow green again in Hiroshima." A miracle has been performed!—Editorial from The Colorado "Blade"

The Priory Scores Again

Cora Jay
young people for bringing honor not only to themselves and their school, but to the Diocese.

Required by English and religious education teachers, articles on the same subject were written by all students except seniors.

Daughter of Mr. and Mrs. Jay Chow, 1241 Kaumapili Lane, Cora wrote of Christianity as it concerns her personally:

"If it hadn't been for the missionaries here and God's Grace, I would be a different person from what I am today. We Christians owe much to missionaries, past and present. If it had not been for a few people whose belief was strong, Christianity might have disappeared entirely."

She urged that religious education be featured in public schools so that "individually Christians can be missionaries and fulfill the words of Christ: 'Go ye unto all the world and preach the Gospel to all people'."

MITE BOX OFFERINGS

A very lovely service for the Mite Box Offering was held at the Cathedral Sunday, May 5th. Many children were present for this united service of the churches on Oahu. The Bishop preached for the occasion and was assisted by the Reverends Richard Trelease, John Moulton and Lawrence Ozaki, who are on the Religious Education Committee for the District. Following the service the children enjoyed a party on the Cathedral lawn, the Bishop and the Sisters of the Priory acting as host and hostesses.

Items of Interest

The Reverend and Mrs. Anson Phelps Stokes, Jr. spent ten days on Hawaii vacationing. While at Kona Inn Canon Stokes preached at Christ Church, Kealakekua, and it is reported it was a great pleasure to have him. The Reverend Burton L. Linscott, vicar of Christ Church, and Mrs. Linscott, by the way, are the proud parents of a son born May 25th.

They Dance Their Way to Convention

The Young People on Oahu have certainly put forth a united effort to send delegates to General Convention. On Saturday, May 25th, they had a dance at the Armory and added about \$2500 more to their fund for the Convention Caravan. Things are lining themselves up in fine shape and we hope that maritime strikes do not interfere with plans that are formulating for this venture.

Sympathy is Extended

To Mrs. Arthur Restarick and Mrs. Henry B. Restarick in the great sorrow that has come to them through the death of Mr. Arthur Restarick. He had been ill for many months and died May 11th, on the eve of his mother's 86th birthday. He was a member of St. Clement's Church, and the son of the late Bishop Restarick, the first Bishop under American jurisdiction of the Church in Hawaii.

St. Columba

The American Church has only seven churches dedicated to St. Columba, whose feast is kept this month. They are located at Inverness, Calif.; Detroit, Mich.; Lake Valley, Texas; Middletown, R. I.; Jackson, Mississippi; Washington, D. C., and Paauiilo, Hawaii.

St. Columba is chiefly famous for his founding of the monastery on the Island of Iona about 563 A.D., which monastery was the center of great missionary work. St. Columba died soon after St. Augustine landed in Kent in 597.

There seems to be widespread ignorance of St. Columba here, and most people are under the impression that our church at Paauiilo is dedicated to Christopher Columbus!—D.S.

Seniors and Faculty Members Entertained

The Bishop and Mrs. Kennedy entertained the seniors of Iolani and Priory at the Bishop's Home

Members of St. Peter's Guild being entertained by Mrs. Kennedy at the Bishop's Home

and on another occasion entertained the members of the faculty of both institutions. An enjoyable time marked these two events.

Junior-Senior Promenade

The outstanding social event for the Priory Seniors was their Junior-Senior Prom, held at the Republican Club Bamboo Lounge. It was a gala occasion for all in attendance. Special guests were Bishop and Mrs. Kennedy, the Rev. and Mrs. Richard M. Trelease, members of the faculty, Mr. and Mrs. Ralph Monell and Mr. and Mrs. Kenneth Day.

St. Clement's Parish Party

Mr. and Mrs. Edouard R. L. Doty held a parish party at their home on May 19th for those living in the Koko Head or Kuliouou region so that they might enjoy the fellowship of one another.

A Fine Performance

Miss Mary Whitten, instructor of music at Iolani School, is certainly to be commended for her splendid progress with her young charges since her arrival last fall. Her ability to transfer her knowledge and enthusiasm for music into her pupils is a noticeable factor of her teaching. The eighth grade boys put on "Pinafore" in simplified form, recently and did it to perfection. The enjoyment they had in doing it was exceeded only by that of the audience. The boys did a magnificent job of it. Those who transformed themselves into young ladies for the evening were lovely to behold.

A recent radio broadcast over station KGMB by the sixth grade "Iolani Choir" was one of the most enjoyable programs we have heard in some time. The selection of music was varied and delightful and the boys sang all of their songs beautifully.

We commend Miss Whitten and the boys of Iolani for their progress this past year.

Ascension Day at the Priory

Ascension Day, 1867, marked the founding of St. Andrew's Priory by Queen Emma. A service that means much to the girls of the Priory is the one they have around their coral cross in the Priory patio. It was beautifully decorated with leis by members of the

Junior class. The Rev. Kenneth A. Bray, School Chaplain, had the service at the Cross, and was assisted by members of Iolani School and by the Rev. Arthur Lyon-Vaiden. It is a wonderful sight to see the girls as they march from the Cathedral, following a celebration of Holy Communion, all dressed in white uniforms.

St. Mark's Busy on Organ Fund

If the price of organs will just remain below OPA prices until the zealous members of this mission get the necessary price together for a new and badly needed organ all will be well. They have had the disappointing blow of having \$600.00 added to the amount originally asked for an organ. So far they have \$1300 toward the fund. A recent effort for raising money was a dance held at the Parish House netting them almost \$100.00. Previous ventures had been a concert and food sale.

St. Mark's Mission

On Rogation Sunday, May 26th, St. Mark's Church School, which, during the year has grown from forty to one hundred pupils, brought to a close the winter session with a delightful picnic at a private residence in Kuliouou, arranged by the Church School Superintendent, Mrs. Martha Lum.

The children were transported in a chartered HRT bus, parents and members of the parish going in private cars. All enjoyed the games and races and bountiful refreshments provided, and the children rollicked in the ocean.

Mrs. Lum has been aided this year by a faithful staff of teachers—Sister Helen Veronica, C.T., Mrs. William Lin, and the Misses Frances Barnes, L. Nishimura, D. Nishimura, H. Matsui and Irene Hanohano.

It is announced that in September St. Mark's School will add a first grade, with Mrs. Martin Lum, a college graduate and certified teacher of experience, as Principal, aided by Mrs. Wm. Lin and Miss Louise Nishimura, who have so ably and conscientiously cared for the Kindergarten this past year. A summer session of the Kindergarten will operate from June 3rd to July 12th, with a staff of volunteer teachers. This project is intended to serve community needs and also further aid in raising funds for the new organ needed at St. Marks.—E. L. S.

To Attend Reunion

Mr. Herman von Holt, secretary of our Board of Directors and the one who has so ably invested the money of our Missionary District so that it has kept our holdings sound, leaves soon for his thirtieth class reunion at Yale University, as well as to attend to business matters. He has contributed much to the Missionary District of Honolulu through the many years he has served us. We wish him a sincere Aloha as he takes this trip.

Plans Changed

Because the facilities for having an over-night youth conference on Kauai were not adequate, it has been decided to have an all-day conference at All Saints, Kapaa, instead. The Reverend Richard M. Trelease, Jr., head of the youth work for our Diocese, will be the guest speaker. The Conference will be held June 16th.

For Their Building Fund

Holy Trinity Church will have a festival July 4th, 5th and 6th at the Kawananakoa School to raise money for their Building Fund. It will be a most entertaining affair with Japanese dances, etc. Tickets will be on sale and can be obtained from Church members.

St. Stephen's, Wahiawa

Sunday, June 16th, will make that day a happy one for those of this mission who have been working to see the completion of their Church. On this day the Bishop will have the dedication services for the Church. It has taken the initiative of the vicar, the Rev. Sydney H. Croft a former Chaplain in the Army, to weed out the fertile ground for finding discarded army buildings etc. to get this and the equipment for the Church. Things like that just don't happen—it takes patience, tact and fortitude to "ask and have it given unto thee". That does not mean that St. Stephen's Church stands free of any expenditure other than that of effort, but it does mean it stands with considerable saving to the Church because of such ingenuity as that possessed by the Rev. Mr. Croft. We pray that the members of St. Stephen's will work as diligently toward the erection of a home for the vicar and his family as he has done for their place of worship, for he cannot work as effectively away from them as with them. Those in the Cathedral Close, where he is living at the moment until a residence can be secured for them at Wahiawa, have profitted greatly by his presence. He is gifted as an artist, carpenter and electrician as well as a priest and friend, and has spent many evenings helping us put things in order where needed. Though the absence of the Croft family will be keenly felt in Queen Emma Square we cannot help but pray they may soon find residence in Wahiawa where it will lighten the burden of travel each day for the Rev. Mr. Croft and where the members of the congregation can enjoy the wholesomeness of this family as we do.

St. Christopher's, Kailua

A benefit luau is to be given by this mission for their Building Fund, under the chairmanship of Mr. John W. Searle, on Saturday, June 22nd, at 2:00 p.m. in the Kailua Community Center. A good time is assured everyone and ten valuable prizes, including electric irons, toasters and roasters are being offered by Mr. Roy Smart, to lucky owners of tickets. Only 500 places are being prepared so it is hoped tickets will be purchased early. They are \$3.00 each.

St. Mary's Have Unique Program

In order to aid their representative to General Convention, Miss Lei Folk, the members of this congregation had an evening of real entertainment at the Parish House. The members of St. Clement's Men's Club put on the play, "Valient" for the occasion and Miss Lei Folk danced. Mr. Joseph Reed, Diocesan Treasurer, sang and Miss Mary Whitten of Iolani School, played some selections on the violin.

Senior and Faculty Members Entertained

Mr. and Mrs. Ralph Monell, of Iolani School, entertained the members of the senior class and the faculty at a party held in the Diocesan House and Army and

Navy Center, Wednesday, May 29th. Everyone enjoyed it to the utmost. Mrs. Dorothy Ellen Matsinger gave some very clever readings, much to the amusement of all.

Iolani Seniors to Present Play

"Breezy Money" is the title of the play given by the Senior Class at Iolani. It will be presented at Farrington Hall on June 19th, at 8:00 p. m. It is the first senior play since December 7, 1941. The Rev. Kenneth A. Bray is coaching the boys, but he makes apologies for the production. He feels a play of a more serious nature would be more worthy of the young actors, but they are enjoying getting ready for it, and we are sure it will afford an evening of entertainment for all who attend.

Our Bishop's Busy Week-end

Bishop Kennedy, arriving on the afternoon of Friday, May 17th, and returning to Honolulu the following Tuesday afternoon, spent a very busy week-end on the Garden Island. This issue of The Kauaian comes to you a week late in order that you may be told of his visit.

On the Fourth Sunday after Easter, May 19th at 9 a.m. the Bishop preached and confirmed a class of 12 at Christ Memorial Church, Kilauea. At 10:30 a.m., he celebrated the Holy Communion, preached and confirmed 21 persons at All Saints' Church, Kapaa. At 7 p.m. at St. John's Church, Eleele, the Bishop preached, confirmed a class of 14 adults and young people. A special feature of this service was the baptism of Mary Victoria, infant daughter and third child of the Rev. and Mrs. J. T. Baker. After service a reception was held at St. John's Parish Hall. At this service in Eleele the Rev. Andrew N. Otani presented for confirmation his first convert on Kauai, Mrs. Tochiko Uyeda.

Monday morning the Bishop presided at the arch-deaconry staff meeting held at All Saints' Rectory when many matters concerning both the Episcopal Church on Kauai and the Missionary District of Honolulu were discussed. At noon he was guest at a luncheon given in his honor by our Kauai workers.

Sunday evening, Bishop Kennedy was honor guest at dinner at Lihue Hotel with Messrs. Robert Kondo, Richard Tom, Shigeo Iwai and Richard Wong as hosts.

Monday afternoon, Bishop Kennedy met with the contractor and the vicar of St. Paul's Church, Kekaha, to inspect the new building for St. Paul's Church.

Prayer For the General Convention Authorized for use by Bishop Hart

Almighty God, who alone canst quicken thy servants to hear thee and obey, we pray for all Bishops and Deputies to the General Convention and Delegates of the Woman's Auxiliary of this Church, that they may be cleansed by thy Spirit from all unworthiness. Give them a world vision of the Mission of thy Church; grant them patience and insight, faith and obedience to thy holy will, that being themselves led of thee, thy may by thy Spirit lead thy people on from strength to strength in the work of thy Kingdom; through Jesus Christ, thy Son, our Lord. Amen.

—Reprint from The Church News, April, 1946.

ANSWERED PRAYER

He asked for strength that he might achieve; he was made weak that he might obey.

He asked for all things that he might enjoy life; he was given Life that he might enjoy all things.

He asked for riches that he might be happy; he was given poverty that he might be wise.

He asked for power that he might have the praise of men; he was given weakness that he might feel the need of Christ.

He asked for health that he might do greater things; he was given infirmity that he might do better things.

He received nothing that he asked for—yet his prayers were answered and he grew into a real Christian.

FOR THE NECESSITIES OF LIFE

An island community is necessarily much more dependent on its wholesalers for its vital needs than are mainland communities. And to do a first class job in bringing to the islands your food, clothing, drugs, hardware and other necessities requires an organization like **AMERICAN FACTORS**.

—strong enough financially to keep a large
volume of goods streaming across 2100
miles of ocean

—with offices in New York and San Fran-
