Bishop's Trip To The Orient

With a dual purpose in mind, the Bishop left on June 26th for a trip to Japan, Korea, and Okinawa. His paramount mission was to visit our work in Okinawa, and to be with our three missionaries in this field. His other mission was to visit all the Episcopal Chaplains in the war zone, having been assigned this task by the House of Bishops, at their meeting in El Paso, Texas, last January. He was gone five weeks and had a most strenuous, but thrilling, experience.

In Okinawa, he spent two weeks with our missionaries—The Rev. Messrs: Norman B. Godfrey, William C. Heffner, and Gordon G. Nakayama—going over our entire field. It would be difficult to estimate the splendid accomplishments of these three men, in the short time they have been in this work. They have been doing real pioneering in establishing the Church's work, and have worked under very trying conditions. They are too fired with the zeal that comes only from the Holy Spirit to offer complaint for the lack of facilities for their physical comforts.

It was a thrilling experience for the missionaries and the Bishop to conduct a special service of dedication for the purchase of the land upon which our first church in Okinawa will be erected, at Mawashi. This property is on a hill overlooking several villages. A fourteen foot wooden cross has been erected on the site with a large sign in English and Japanese, announcing that this site will be the location for the Seikokwai Church building.

During his visit the Bishop visited the Leper Settlement at Airaku-en. At a service for these people, over 300 attended. Out of the 900 patients in the Settlement,

we have many communicants. They begged us to give them regular services. The Bishop presented prayer books to the Mayor of the Settlement and to Aoki San, a former lay reader in the Seikokwai, who went to the colony twenty-four years ago. They both lost their prayer books and other personal belongings, when the village was bombed and completely destroyed during the invasion of Okinawa.

Aoki San is a saint of God. The ravages of his dread disease have left telling marks on him, but daily he hobbles to a cave by the sea, where he meditates and writes as best he can. He has written, in Japanese, a story of the Colony, which is fascinating reading, and we hope to have it translated into English. The patients all turn to Aoki San for spiritual help. This was the first time a Bishop ever visited the island, and the people were tearfully grateful. Aoki's remark to the Bishop and the missionaries was, "We thank you for being brave enough to come to us, and we thank you for loving us enough to come."

The Bishop visited the island of Izena Shima, where there are 7000 inhabitants. Until our missionaries visited there in June, no Christian workers had ever set foot on the island. It is difficult to go to Izena Shima, since it means a long day's drive over very bad roads, then a trip by police boat in the China Sea to a small harbor. A native junk comes out to meet the police ship and brings you to a small village. You are then isolated until another ship comes that way.

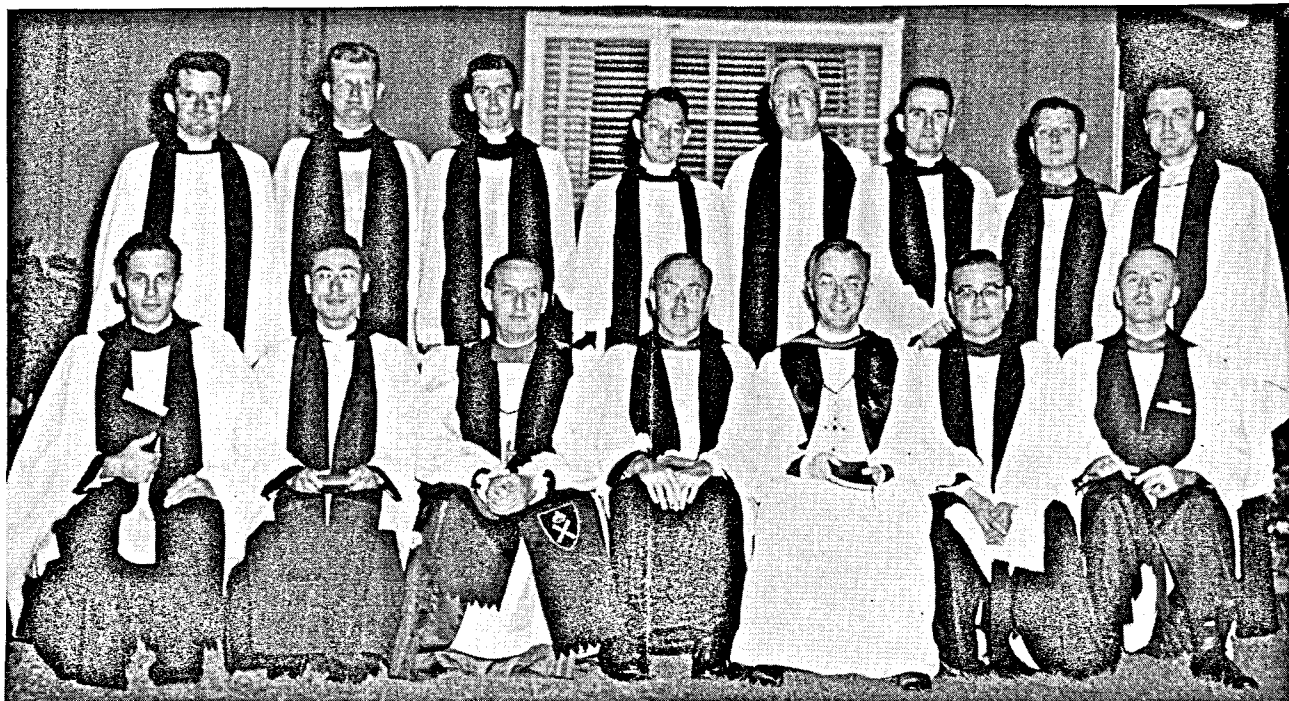

A service was held at night, after the natives had finished working in the rice harvest. Over 50 natives

Clergy on Oahu joined in honoring the Rev. Richard U. Smith, seated between Bishop Kennedy and the Rt. Rev. Richard Emrich, Bishop of Michigan, who preached at the service of his installation as rector of St. Christopher's Parish, Kailua, Oahu, T. H., on Sunday, August 12th. It was a most impressive service. Following the service, a reception was held in the parish grounds, honoring the new rector and his family and Bishop and Mrs. Emrich. The Rev. Mr. Smith had served under Bishop Emrich in the Diocese of Michigan before coming to Hawaii. Bishop Kennedy conducted the Installation Service.

To Leave For Mainland

The Bishop will leave on September 20th, for Columbus, Ohio as the guest of the Diocese of Ohio, to conduct a speaking tour in that Diocese in preparation for their Every Member Canvass program. He is going at the invitation of the Rt. Rev. Beverley Dandridge Tucker, Bishop of Ohio. He will be in the Diocese from September 22nd to October 5th. He will then go to the Diocese of Pittsburgh, at the invitation of the Rt. Rev. Austin Pardue, for several engagements. He will return to Honolulu, following a visit to National Council, in New York City. He hopes to return around October 16th.

The Ven. Paul R. Savanack, Archdeacon of Hawaii, and Headmaster of the Hawaii Episcopal Academy, will accompany the Bishop to Toledo. He is going to Cleveland to attend the 50th Wedding Anniversary of his sister.

Cornerstone Laid At St. Mark's

A service that meant much in the lives of the congregation of St. Mark's Mission, Honolulu, and to the Diocese, was the laying of the cornerstone on Sunday, August 5th. The Bishop, assisted by the Rev. Edmund L. Souder, Vicar, conducted the service. The architects, Lemmon and Freeth, and the contractor, Mr. James Sakuma, assisted the Bishop in placing the cornerstone.

Ordination Date Set

The Reverend Stephen Eun Tai Kim, Vicar of St. Luke's Mission, Honolulu, will be ordained to the priesthood by the Bishop on Thursday, September 13th, in St. Andrew's Cathedral, at 10:00 a.m.

The Master of Ceremonies will be The Rev. Canon Richard M. Trelease, Jr.; Presentor of Ordinand, the Rev. Edmund L. Souder; Preacher, the Rev. Canon Frederick A. McDonald. The Preface to the Ordinal will be read by the Rev. James S. Nakamura. The Rev. Robert Challinor will read the Litany, the Rev. John R. Caton, the Epistle, and the Rev. Wai On Shim the Gospel. Assisting the Bishop with the Holy Communion Service will be: the Rev. Canon Kenneth A. Bray, the Rev. Lawrence Ozaki, and the Rev. Burton L. Linscott.

Following the service of Ordination, a luncheon will honor the Ordinand, and will be in Davies Hall.

Exchange Pulpits

The Rev. Frederick A. McDonald, St. Clement's Church, Honolulu, and the Rev. Robert Sheeran, Holy Apostles Church, Hilo, Hawaii, exchanged pulpits this summer for a three-weeks period. It provided a very happy "vacation" for both clergymen, and gave the congregations an opportunity to enjoy knowing these clergy better.

Bishop And Mrs. Emrich Visit Diocese

We were more than happy to have the Rt. Rev. and Mrs. Richard S. M. Emrich, of the Diocese of Michigan, with us for a ten day visit. They are a delightful and refreshing couple, and it was a real joy to have them here for several important occasions.

Bishop Emrich, one of the younger bishops of our Church, gave us much in the way of spiritual stimulation and inspiration. He is a graduate of Andover Academy, and received his B A from Brown University. He had his theological training at the Episcopal Theological Seminary, Cambridge, Massachusetts and Union Theological Seminary, New York City, where he received his B D degree. He received his PHD from the University of Marburg, Germany, his S T D from Kenyon College, and was consecrated Bishop in 1946. He was made Diocesan in 1948. He was a professor at the Episcopal Theological Seminary at the time of his election as Suffragan Bishop of Michigan. He is the author of the Presiding Bishop's Book for Lent in 1945, "Earth Might Be Fair."

While in Honolulu, Bishop Emrich preached at St. Andrew's Cathedral, St. Clement's Church, St. Christopher's Church, and spoke to the women at their annual meeting and conducted a series of talks at the Clergy Conference.

Bishop and Mrs. Emrich left for the Philippines on Saturday, August 25th, for the next stop in their world tour. The Diocese of Michigan is giving them this trip as a gift for their first five years of service to the Diocese of Michigan. They will also go on to Japan and England, and plan to return to Michigan October 10th. They visited the Island of Hawaii before leaving the Islands.

Laymen's League To Sponsor Concerts

The Laymen's League, under the leadership of Mr. Richard Ching, are to sponsor two of our young churchmen, who have risen to fame on the mainland through their musical talents, in concerts on all of our Islands.

Mr. Charles Davis, former organist and soloist of St. Stephen's Church, Wahiawa, and son of Dr. and Mrs. Arthur Davis of Waialua, and Mr. James Shigeta, a former member of Holy Trinity Church School, will be in the Islands from September 21st to the 27th, making appearances for the benefit of our churches. They will appear at the Civic Auditorium on Friday and Saturday nights, September 21st and 22nd. They will be on Maui September 24th, in Hilo on September 25th and on Kauai September 26th.

Young Mr. Davis studied at the Julliard School of Music and was winner of the Arthur Godfrey program. James Shigeta won the National Amateur Hour Contest and has appeared with Charles Davis in radio and television programs. They have made a great impression singing with Bing Crosby and other celebrities.

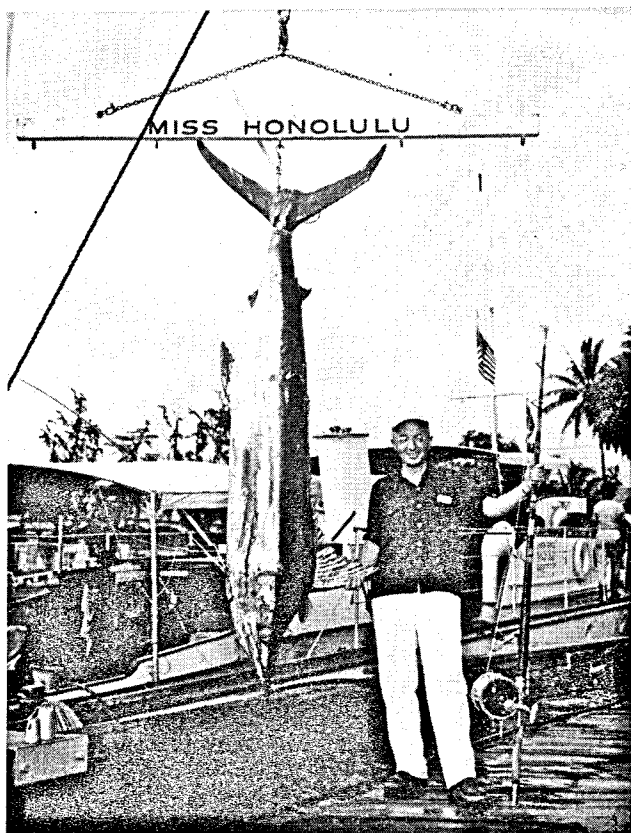

The Rt. Rev. and Mrs. Richard S. T. Emrich, of the Diocese of Michigan.

Word From Bishop Littell

A letter from Mrs. S. Harrington Littell, wife of the retired Bishop of Honolulu, tells us that Bishop Littell has been moved from the Episcopal Hospital in Philadelphia, where he has been very ill for some months, to St. Barnabas Hospital, New York. She writes most encouragingly of him, and feels that the treatment he will be able to receive in this hospital will eventually enable him to walk. They hope soon to transfer him to their new apartment at Fordham Hill, Apt. 3G, 2421 Webb Avenue, New York, where Mrs. Littell can take care of him. She and Bishop Littell hope that any friends from Hawaii will visit them, should they be near New York, as Bishop Littell enjoys seeing his friends. The entire Diocese rejoices in his progress. We know he has been in our prayers and thoughts. We extend our Aloha to him and to his family.

Mr. Shigeta is soon to be inducted in the army, so it has been necessary to hasten this opportunity to hear these young men in Hawaii. It is a tremendous opportunity for us to hear these talented young men, and to benefit from their willingness to assist the Church in this way. They are to perform for us with a minimum expense involved. Profits above these expenditures for their accompanying orchestra and travel will be divided among the churches on a planned basis.

BISHOP EMRICH

While visiting in Honolulu, Bishop Emrich, of the Diocese of Michigan, took time off from his arduous duties to relax. On a fishing trip he accomplished what many Islanders have tried for years to achieve—he caught a 224 pound Marlin.

90th Anniversary

We are looking forward to the 90th Anniversary of the Church of England's coming to Hawaii to establish work and the 50th Anniversary of the Church under the jurisdiction of the American Church. We hope that every Church and every member of the Church will make this a very particular occasion to be shared in with rejoicing and thanksgiving.

The Bishop is formulating preliminary plans for this great anniversary with members of the clergy from each of our islands. The celebrations will probably be held in early February. There will be a grand opening service on Sunday morning, at eleven o'clock. All churches in the Islands will participate in this service. There will be a public reception and Convocation on the Monday following. The banquet will be on Tuesday night. A special day will be given for the Youth, one for the Woman's Auxiliary, one for the Laymen, etc. Committee chairmen to plan the Anniversary will be announced later, but the following committees will be appointed:

A General Chairman, the United Thank Offering Service, Special Services, Publicity, Anniversary Publication, Reception, Banquet, Laymen's League, Youth, Island and Parish Services, Hospitality.

The first Anglican Bishop, The Rt. Rev. Thomas Nettleship Staley, arrived in Honolulu October 11, 1862 and conducted his first service in St. Andrew's Cathedral on October 19, 1862.

New Organ Given To St. Stephen's, Wahiawa

A new Moeller "Artists" pipe organ will be installed in the new St. Stephen's Church before the building is dedicated this fall. It is the gift of Mrs. Arthur Davis, of Wailua, Oahu, and comes as a thank offering.

Changes In The Diocese

The Reverend Theodore T. Y. Yeh, who has been serving as assistant rector at St. Peter's Church, Honolulu, started his new duties as Curate of St. Elizabeth's Church, Honolulu, on Sept. 1st. He will assist the Rev. Wai On Shim, rector, and will be in charge of the work with the young people in this parish. He and his family moved to their present home, 731 Kanoa Street.

The Rev. Henri Pickens will not return to Christ Church, Kealahou, Hawaii, following his furlough. He has accepted a Church in Goodland, Virginia, and the Chaplaincy at St. Christopher's School, Richmond, and will remain there with his family. We wish him every blessing in his new work.

Chaplain (Comdr.) Kenneth A. Perkins and his wife leave the latter part of September for San Francisco, where he will be stationed with the 12th Naval District. They will live in Richmond, California. We regret seeing them leave Honolulu, for they have endeared themselves to all who know them in the Diocese. We wish them every blessing in their new station. While in Honolulu, he has taken our services for our families stationed at Pearl Harbor, and has rendered a helping hand whenever and wherever possible.

Stops An Hour In Honolulu

Chaplain (Major) Lewis B. Sheen, former Curate of St. Andrew's Cathedral, stopped at the Honolulu Airport about one hour the night of August 29th. He was late in reaching Honolulu, so was unable to contact many of the friends he would wished to have seen. He was enroute to New York City, where he was to have a thirty day leave before going on to his next assignment, Fort Benning, Georgia. Mrs. Sheen is in New York. We rejoice that they could be together again. He had finished thirteen months in the Korean War zone, and we give thanks for his safe return.

Mr. Bertram Parker

To Conduct Laymen's Training Course

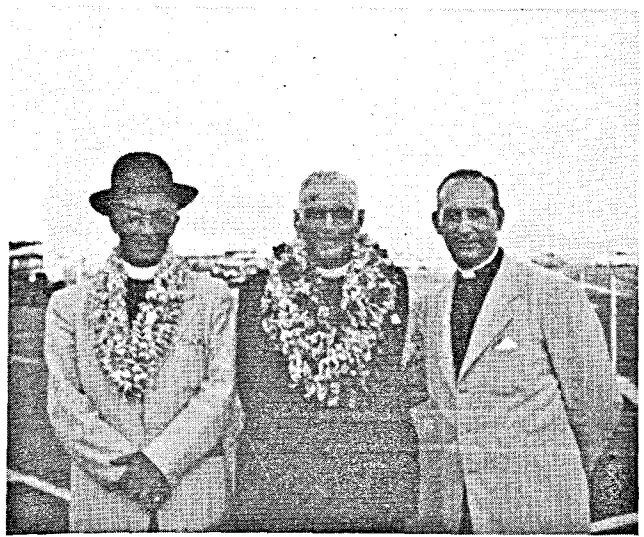

Through the kindness of National Council, Mr. Bertram Parker, of Corpus Christi, Texas, a leading laymen of the Diocese of West Texas, will come to Hawaii to conduct the training course for our laymen. He is a vestryman of All Saints' Church, of Corpus Christi and has served his diocese in many capacities: a former member of the Standing Committee, as a member of the Executive Committee of the Diocese as Chairman of the Department of Promotion for three years. He represented the Diocese at General Convention in 1946 and was a delegate to the 1949 Triennium.

He has been very active in laymen's work; he was president of the Episcopal Churchmen's Association of West Texas. At the present time he is a member of the Presiding Bishop's Committee on Laymen's Work in the capacity of Provincial Chairman of Laymen's work for the Seventh Province.

In 1949 Mr. Parker was one of the 14 men chosen to be an instructor in the Laymen's Training Program; he served in this capacity also in 1950. He has traveled nearly 30,000 miles in the United States on business of the church, speaking before churchmen. He is a life insurance underwriter and in his vocation has earned many high honors. He is a life and qualifying member of the Million Dollar Round Table.

He and Mrs. Parker will arrive in Honolulu October 25th. They will be here for several days.

The Laymen's Training Course will be given to the following men, on Saturday, October 27th, and Sunday, October 28th: Messrs: Richard C. Ching, St. Elizabeth's Church and Diocesan Key Layman, Harold Dahlquist and Thomas Shields, St. Andrew's Cathedral; Kleber Miller, Hawaiian Congregation, St. Andrew's Cathedral, Thomas Major, St. Clement's, Harold Shiraki, Good Samaritan,

Bishop Emrich, Bishop Strong, and Bishop Kennedy.

On the eve of the departure of Bishop and Mrs. Emrich from Hawaii, the Rt. Rev. Philip Nigel Strong, Bishop of New Guinea, stopped a few hours in Honolulu. He was enroute to England for a brief visit with his family, before returning to the United States for a speaking tour, to try and raise money to rehabilitate his Churches in New Guinea, that were destroyed by the dreadful eruption of Mt. Lamington. Several of his friends greeted him at the Airport, and visited with him during his short stay.

Annual Diocesan Woman's Auxiliary Day

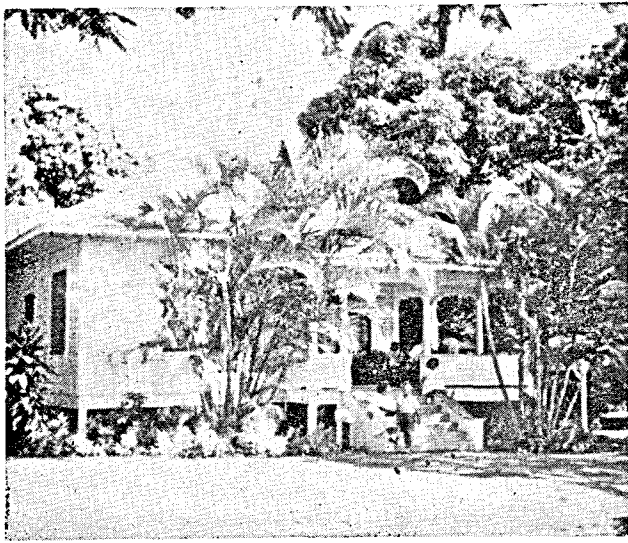

On Saturday, August 18th, the Holy Nativity Church, Aina Haina, acted as host for the Annual Woman's Auxiliary Day. Almost 200 women were in attendance to receive the message that the Rt. Rev. Richard S. M. Emrich, Bishop of Michigan, had for them. His subject was "The Great Church and Missions."

Bishop Kennedy spoke on his trip to Korea, Japan, and Okinawa, and showed movies of his trip. He also outlined plans for the 90th Anniversary of the Church in Hawaii.

Mrs. William Lin presided. The Auxiliary served hot and cold drinks at lunch time. Each woman brought her picnic luncheon. It was a splendid opportunity for fellowship along with the inspiration that came from the talks by the bishops.

The opening service was conducted by the Rev. John J. Morrett, Vicar.

Ted Passailaigue and William Crittenden, St. Christophers, all from Honolulu; Lani Hanchett, William Ogawa and James Yoshida, Kauai; William Neilsen, Maui, and Curtis Tyler, Hawaii.

HOLY TRINITY RECTORY

The Rev. and Mrs. Lawrence H. Ozaki and family are very happy in their new home at 1715 Anapuni Street. They had an Open House and blessing of their home by the Bishop on Sunday, August 12th, at which time members of the Church and friends joined in congratulating them in having this attractive new rectory.

Applause Gladly Given

The whole parish cheers St. Dorothy's Circle for the splendid way they carried through the tour of Honolulu homes on the 15th of August. Major credits go to the chairman, Mrs. F. Gordon Halstead, whose inspiration and methodical planning made the event possible. The gracious readiness of the home owners and the helpful assistance of so many Circle members and friends made the afternoon a memorable one for tourists and Honolulu residents alike. We should not forget in our gratitude, too, Mr. Jack Harding, Mr. Norman Godbold III and Mr. Clifford Vierra who stood for three hours in the bright sun on a very hot day preventing traffic snarls.

The Church School Building Fund is stronger by \$650 as a result of this effort. This means that at present we have a nucleus of nearly \$3,700 for this necessary project.

—From the "St. Clement's Kalender"

Return From Furlough

The following clergy have returned from furlough with their families: The Rev. Messrs: John Moulton, Burton Linscott, John Caton. Mr. Joseph Reed and his family have also returned from three months on the mainland, and he is busy again with his duties as Diocesan Treasurer. The Rev. and Mrs. James Nakamura returned from their three months' trip on the mainland. He was a delegate from our Diocese to the meeting of the Province of the Pacific, in Salt Lake City, Utah.

St. Christopher's Church To Open New Day School

The Reverend Richard U. Smith announces that this September will see another day school in the Church's program. This will be a nursery and kindergarten school. Mrs. John Ferguson is the chairman of the School Committee, Mrs. H. E. Morgan is the principal and kindergarten teacher, and Mrs. Wayne Gocke is the nursery class teacher. We congratulate St. Christopher's Church on this undertaking, and wish the Church every success in this fine venture.

Opening Of Schools

The St. Andrew's Priory Schools for girls and Iolani School for boys both opened on September 4th. The Hawaii Episcopal Academy, on the Island of Hawaii, opened on September 9th. Many new members of the faculty are welcomed into our Diocesan family. We pray for a most successful year for our educational program.

St. Luke's Mission Starts A Sunday School

The Rev. Stephen E. T. Kim has started a Sunday School at the new site for the St. Luke's Mission, Nuuanu and Judd Streets. They have not had a Sunday School at St. Luke's Church for many years, so we hope that it will be a very successful work. The people of this mission have started to clean the grounds of their new site, so that their church work can go forward immediately. We rejoice that they have this new locality for their work, and hope the not too distant future will find them building a much needed church building. They have waited long for this reward.

Furniture Needed

Several rectories need furniture. If you have a piece around the house that you have no particular use for, call the Diocesan Office, 56864, and see if we can use it for some of our clergy, who need assistance in furnishing their homes. Your help will be appreciated.

St. Elizabeth's Parish Has New Organ

St. Elizabeth's Parish, Honolulu, has a new Baldwin Electronic Organ, which will be installed in the new Church building, which is now under construction. Much enthusiasm has been shown in regard to the organ. It will be a very fine addition to the new church.

Fresh Paint

St. Clement's Church, Epiphany Church, and Good Samaritan Church, Honolulu, all boast of a new look. St. Clement's Church and Good Samaritan Church have been newly painted, and Epiphany Church has been redecorated.

Bishop's Trip

(Continued From Page 3)

attended. The Rev. Gordon G. Nakayama taught them some hymns, which they learned very quickly. He remained there a month so that he might hold classes for the children during the day and for the adults at night. He plans to visit other villages on the Island during his stay. This is a great opportunity for our Church to do some real missionary work in an untouched field.

Sleeping on the floor and fighting fleas and other insects is not easy for most Americans to take, but the Bishop found that after a while one becomes so paralyzed sleeping on the hard floor that the flea bites do not seem to be so bothersome. Food and drinking water are a problem. Our workers must carry a supply with them. After living on Spam and soda crackers for breakfast, lunch, and supper, they learned that more supplies must be brought and stored there.

The disease known as "Jap B," a form of sleeping sickness, which comes from insect bites, especially mosquito, is a real danger. There is quite an epidemic at the present time in some parts of Okinawa. It is usually fatal with natives, since they do not receive inoculations.

On Sunday, July 22nd, we had a real red letter day at our Mission in Mavashi, near Naha City. A celebration of the Holy Communion was followed by the installation of our first native lay reader, Luke Kabira. At a Church School service, the Bishop spoke to 291 children, sitting on the floor of a village building loaned to us for our services. After Church School, the adult congregation of about 300 gathered for a confirmation service, when five natives, one soldier, and one American civilian were confirmed. This was the first confirmation service for natives since Bishop Kennedy visited Okinawa in 1945. We also dedicated a small organ, given to the mission by friends. The Governor of Okinawa came to this service and remained for the outdoor service, when we marched to the foot of the cross on our own property and blessed the land and a church bell, which had been given to us.

The door for missionary work in Okinawa is wide open. Even if all the churches claiming to be interested in Okinawa were working at top speed, which they are not, there would still be a great need for more help, since the opportunity cannot be met by a few half-hearted efforts. The Bishop wishes to warn the Church that Okinawa is no place for any half-hearted missionary program. Either we go in and give liberally for the support of this work, or stay out. It is too important an opportunity and responsibility to take lightly. There are souls to be won for Christ, there are people literally begging for the Gospel. If we are only going to do a mediocre job, then let us put our efforts elsewhere.

While on Okinawa, the Bishop confirmed two service-

men for Chaplain Lawrence M. Fenwick, and conferred with all Protestant Chaplains in the Okinawa.

Korea

At Taegu a service of confirmation was held at the St. Francis of Assisi Church, where the Rev. Fr. A. E. Chadwell and a Korean priest, Fr. Im, presented a class of nine. This was the first confirmation service held in Korea since the capture of Bishop Cooper by the Communists. Later, in Pusan, thirty-one were confirmed at the Church of St. Saviour, including the wife of our Korean priest, Stephen E. T. Kim, who is at St. Luke's Mission, Honolulu. We are desperately trying to get Mrs. Kim and her small daughter out of Korea, so that they can join the Rev. Mr. Kim. The Bishop also confirmed the daughter and brother of Mr. Sam Lee, a Lay Reader at St. Luke's Mission, Honolulu.

While in Korea, Mr. Theodore Park, a devout layman in our Church in Korea, acted as Interpreter for the Bishop. He was an honor student in Iolani School graduating in the class of 1933. His many friends in Honolulu will remember him, and he sends his greetings.

The Bishop met with all of our Episcopal Chaplains, and saw Chaplain Lewis B. (Mike) Sheen, former Curate of St. Andrew's Cathedral. He is well, but very tired from his trying experiences in the battle zone. He has done a wonderful work with the soldiers in the Korean war.

The Bishop met with all Protestant Chaplains in Japan, Korea, and Okinawa, as well as with our own Chaplains, conducting meditations, etc. for them. He also visited all military hospitals, going from ward to ward to visit with the wounded soldiers. It was a heart-break-

OUTSTANDING LAYMAN

Active and outstanding layman of All Saints Church, Kapaa, Kauai. He has taken the Laymen's Training Course and been active in giving instruction to our churches on Kauai. He is a devout Lay Reader, baptized by the Ven. Henry A. Willey, D. D., retired Archdeacon of the Island of Kauai, and presented by him for confirmation. He has made the Church a great part of his life, never being too busy to serve wherever and whenever he can. He has been instrumental in furthering the work with youth on this Island, and has helped with the improvements of the Youth Center there. Affectionately known as "Mice" to all of his friends, he owns a garage in Kapaa. He is married and has two children. His family shares his love for the Church.

ing sight, in many instances, to see what wrecks war can make of human bodies.

And the sight of refugees wandering aimlessly about, seeking refuge wherever they might, was sickening. In Pusan over 3 million people are crowded into the filth and stench of this war-ravaged area. The devastation in Korea is beyond description.

Japan

The Bishop visited St. Paul's University, St. Luke's Hospital, now occupied by the military, Madam Sawada's Orphanage, and St. Margaret's School while in Japan. He had conferences for chaplains in several areas in Japan, and was honored at a most delightful dinner given by Chaplain Joseph Peoples, Jr.

The Bishop had a most interesting interview with General Matthew B. Ridgway, Commanding General of the United Nations Forces, and communicant of the Church. Later he was entertained at dinner by General and Mrs. Ridgway at the Embassy, and shared in a garden reception which they gave for the military and representatives of the United Nations.

Vice Admiral and Mrs. Charles Turner Joy were

also most gracious to the Bishop, and made arrangements for his stay in Tokyo. Mrs. Joy is an active member of the Allied Woman's Auxiliary.

Mr. Paul Rusch, head of the Brotherhood of St. Andrew's in Japan, gave a dinner for the Bishop at the American Club. Bishop Yashiro, Presiding Bishop of Japan, with neighboring bishops of the Seikokwai, and representatives of the Brotherhood of St. Andrew in Japan, were guests.

Mr. Henry Budd, representative of the National Council in Japan, and Mrs. Budd entertained the Bishop at tea, given for missionaries and church workers in that area.

While in Tokyo the Bishop met Miss Bessie McKim, formerly of Honolulu, who sent her regards to her many friends in Hawaii. She is conducting a school and teaching at St. Margaret's School for girls.

On the Bishop's return trip from Korea, his plane ran into a typhoon over Nagoya, Japan, and after circling for two hours, was forced to continue on to Tokyo—a three-hour flight—since it was impossible to land at Nagoya. Arriving over Tokyo, they were able to land in spite of the storm by the use of radar. It was a rough and hazardous trip.

While in Tokyo the Bishop was able to visit the Emperor's palace grounds. Although the palace was destroyed during the war, many buildings are still standing, and the Emperor is living in one of the small residences. The Bishop and his party were able to visit the gardens and other buildings, and enjoyed seeing Emperor Hirohito's white horse, which was brought up from the stables in order that they might take some pictures.

On the return trip from Tokyo, the Bishop's plane stopped at Wake Island at two o'clock in the morning, but he was able to have a service of Holy Communion at that hour, in our little chapel, for some of our communicants.

Summer Fun Program

A Summer Fun Program sponsored by the Church of the Holy Nativity, Aina Haina, ended July 31st with closing exercises at the Church. During the month of July, seventy children between the ages of 6 and 12 enjoyed a supervised program of classes in Christian Education, Woodwork and Crafts, Hula and Ukulele, dramatics and swimming, and excursions to the Hawaiian Pineapple Cannery, Dairyman's Milk Plant, Kapiolani Park Zoo, Aquarium, and the Bishop Museum.

The Rev. John J. Morrett, Vicar of the mission directed the Summer Fun Program. Senior counselors were Don Van Deerlin, Ester Matsugawa, Miriam Ohye, and Sallie Ann Hudson. Junior Counselors were Richard Bond, Sallie Waddoups, Deborah Ann Keithley, Jimmie Blaisdell, and Robert Guild.

Notes From Holy Nativity Church

The Church of the Holy Nativity, Aina Haina, is adding again to its ever growing Day School.

The school, which started two years ago with an enrollment of 40 in kindergarten and first grade, this year will have 124 pupils in a nursery group, kindergarten, first, second, and third grade. New this year is the third grade, and a second kindergarten group.

The Rev. John J. Morrett, vicar of the mission, has announced the addition of three new members to the teaching staff: Miss Rose Li, kindergarten; Mrs. Harry

Albright, kindergarten assistant; and Mrs. James Smith, nursery assistant. Mrs. Wallace Dyer has been appointed coordinator of daily programs.

Youth Conference

The Youth Conference at Camp Naue, Hanalei, Kauai, August 16th through the 19th, was a most successful one this year. Sixty-seven young people attended from the Island of Oahu. There were over 100 in attendance, and it was voted the most successful conference yet.

The Reverend Kenneth Cosbey, St. John's Church, Eleele, Kauai, was chairman for the Conference. He was assisted by the Ven. Norman R. Alter and Mr. Lani Hanchett, as well as by the Youth Council on Kauai. Clergy who spoke to the group were: The Rev. Messrs: Richard M. Trelease, Jr., Claude F. Du Teil, James Nakamura, and William Grosh, of Honolulu. The Rev. Mr. Cosbey also gave one of the lectures. They had as the theme for the Conference, "People Worth Knowing" and studied Moses, Amos, Samuel, St. Paul and Bishop Samuel Isaac Joseph Schereschewsky.

Mr. Robert Ueoka, head of the Young People's Fellowship on Kauai, did much of the planning for the Conference, and deserves much credit for his help. Mrs. Lani Hanchett was given great praise for her supervision of the meals.

The Rev. Theodore Yeh and Mr. Godfrey Aloiau accompanied the sixteen young people from St. Peter's Church, Honolulu.

Holy Apostles Project

Attractive dinner plates, with an etching of Holy Apostles' Church, Hilo, Hawaii, are on sale as a money raising project of this mission. In Honolulu they may be secured through Mrs. Kahiwa Lee, Cluett House, telephone 52374, for \$2.50 each.
