THE EPISCOPAL CHURCH IN HAWAII

MAY, 1957

Having tea with President Syngman Rhee, of Korea, is Chaplain (Col.) Matthew Imrie, of the 8th Army, Bishop Kennedy, and the Rt. Rev. John Daly, Bishop of the Anglican Church in Korea. The picture was taken in President Rhee's home when the Bishop was on his trip to the Far East.

Donald Izumihara, left, and Charles Hiroshiki, both members of Holy Trinity Church, Honolulu, greet the Bishop in Seoul, Korea.

Gen. L. L. Lemnitzer greets the Bishop. He is Commander-in-Chief, United Nations and Far East Commands, Tokyo, Japan.

Confers with Chaplains in Far East

During the Bishop's visit to the Far East he visited with our Chaplains and conducted services and administered confirmations. In Japan he saw Chaplains: Philip Bentley, Porter H. Brooks, Charles L. Burgreen, Lawrence M. Fenwick, David McBride; in Korea, Matthew Imrie, Donald B. Kline, John F. Slee; in Okinawa, Jay V. Nicholson and on Guam, Calvin J. Croston.

Our Chaplains are doing admirable work and wherever the Bishop went he found commanding officials, as well as enlisted men, speaking well of our Episcopal Church Chaplains.

The Bishop also held conferences with Chaplains of other churches and feels that parents of men and women in the Services overseas would be pleased to know that the influence of the Chaplain has been most commendable.

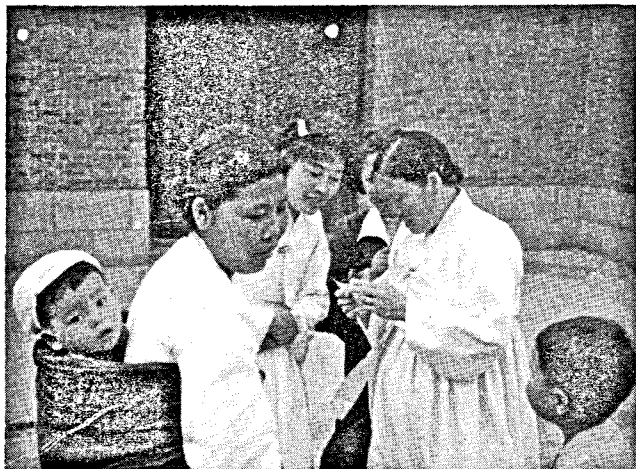

A Bus for The Leper Colony on Okinawa

On the Bishop's recent visit to the Leper Colony, Airaku-en, Okinawa, he learned of the need for a bus that could be used to take the leper people on sightseeing trips into the city of Naha and the country side.

Many of these people have been in the Colony for over thirty years — some of the children and young people have never been outside of the Colony and know nothing but the drab life of a leper.

It is permissible to take them for drives through the city, but it is most difficult to find transportation. If they had their own bus, regular tours could be arranged to bring a little joy and light into their lonely lives.

The Bishop hopes through Auxiliaries and friends in the Islands and on the mainland to get enough gifts to purchase one or two second-hand busses for them. Any organization or individual interested in contributing toward this project may send the gifts to Bishop Kennedy.

New Film in Diocesan Library

The new film on the mission field of Haiti, **THE HEARTBEAT OF HAITI**, is in the Diocesan Film Library. Contact Sister Lois, of St. Andrew's Priory, for the use of this film.

Pastoral Staff

When the Bishop visited Taiwan for an ordination service and ground-breaking the Chinese people wanted him to have a pastoral staff to use on these two occasions, as well as for future dates.

Mr. E. T. Tsu, one of the leading members of the Church in Taiwan, spoke to a Buddhist friend of his in the carpentry business, showing him a picture cut from a Church magazine. The artisan took this and from it fashioned a beautiful, wooden crozier, finished in black Chinese lacquer. The Buddhist contributed his time and materials and was greatly interested in making this contribution.

The crozier will remain in Taiwan for future use.

Another Priest Appointed to Okinawa

The Reverend Lloyd Craighill, Jr., his wife and family will go to Okinawa in the fall to help the Rev. Canon William C. Heffner with our work on Okinawa. His brother, Peyton, has also accepted an appointment for work on Okinawa. We rejoice that we can have these two fine clergymen helping with our work. They are the sons of the Rt. Rev. Lloyd R. Craighill, Retired Missionary Bishop of Anking, China, and Mrs. Craighill.

Camp Periods are Filling Rapidly

Camps on Oahu and Maui are filling a great need among our young people. The Reverend Paul M. Wheeler, who is in charge of the registrations for the camps on Oahu, states that registrations are most encouraging. If parents have not already sent in registration blanks through your clergyman, do so immediately, to insure a place for the child. The dates of camp are:

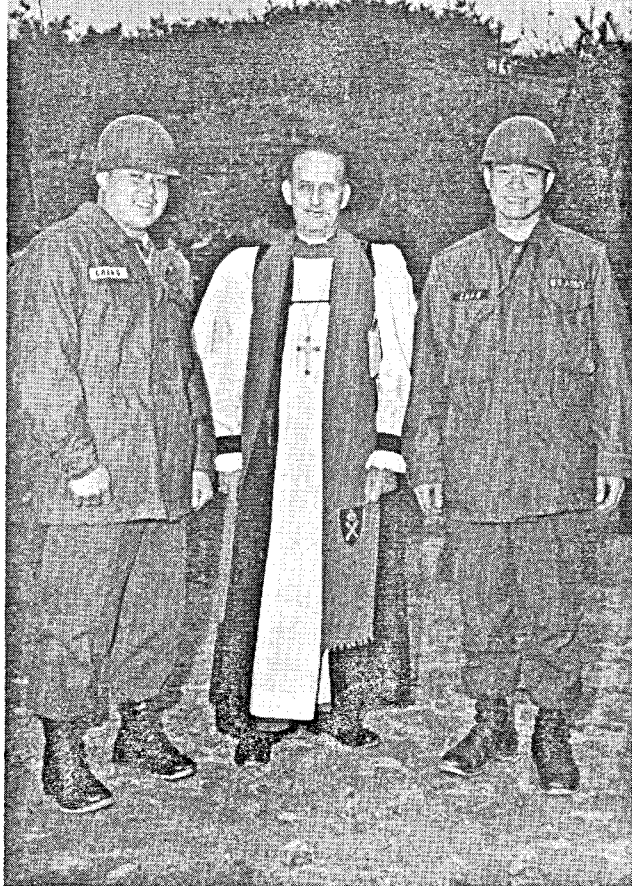

Bishop John Daly's home, Seoul, Korea.

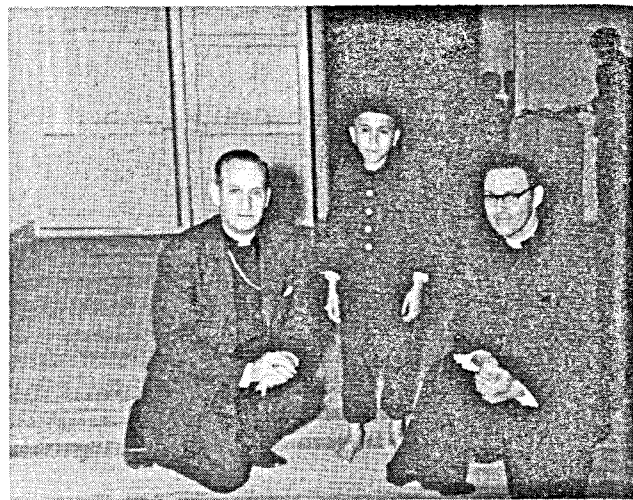

Session	Age	Dates
1	13-14	June 23 through July 5
2	11-12	July 7 through July 19

5	Family Camp	August 18 through August 24

Camp Pecusa, on the Island of Maui, will have the following sessions. Registrations should be sent to the Rev. E. Lani Hanchett, Camp Director, P. O. Box 2, Lahaina, Maui:

Gordon Chang and Herbert Chung both Church members from Honolulu, greet the Bishop in Korea.

Andrew Takeoshi, pictured with the Bishop and Canon Heffner, in Okinawa, was recently baptized by Canon Heffner. His father is deceased and his mother is blind. It is feared that he, also, has serious eye trouble. The Mission is helping support the mother and son.

Territorial EYCC is Holding A Conference at Mokuleia, June 16-21

The Territorial Episcopal Young Churchmen's Council, conducted by the Reverend Paul M. Wheeler, is holding a conference at Mokuleia beginning at 4 p.m., Sunday, June 16, through 12:30, Friday, June 21. Registration is \$15 per person to provide room and meals; preregistration is \$5 which must be paid no later than June 10. Outer-island personnel will be met at the Honolulu Airport and transportation provided to and from Mokuleia.

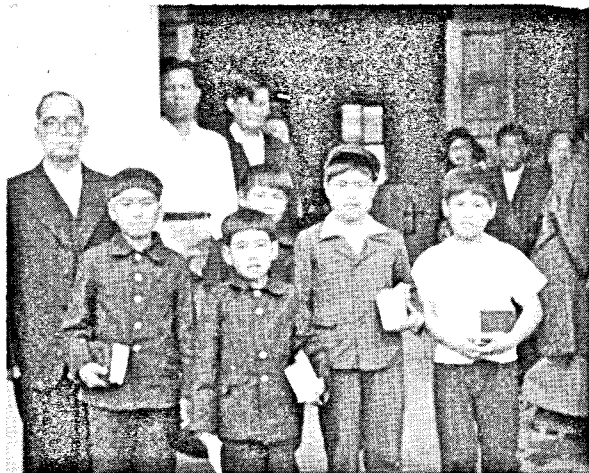

The purpose of this conference is to study the Episcopal Young Churchmen's notebook. By discussing this material expressing opinions and exchanging ideas, they wish to form improved plans and devise better methods which may be incorporated in the individual groups to motivate them into more active and effective organizations.

At this conference there will be present four delegates, two boys and two girls, above the age of 14, representing the young people of the churches in the Territory.

On Thursday, June 20th, from 1:30 p.m. to 9:00 p.m. there will be a session for clergy and advisors, \$1.00 each, and at this time the National Council's Young Peoples Notebook will be presented.

Whitsunday Offering

Whitsunday, June 9th, is the date for the Episcopate Endowment Offering. This offering is set by Canon of the Diocese and is for the purpose of creating a fund that will enable us to look toward self-support and becoming a Diocese, rather than a Missionary District. We urge everyone to generously support this offering as our gifts are the only source of income to make this fund possible.

Children born during the war in Okinawa. These are the first leper children to be confirmed. They were presented by Aoki San, our Lay Reader in the Colony.

Aids Sister Congregation

St. Stephen's Church, Wahiawa, has given its Easter Offering of \$326 toward the Building Fund of the Church of the Transfiguration, Waianae, Oahu.

The Bishop's Fifth Objective for 1957

Bishop Kennedy, in his address to Convocation, set forth five objectives for the Diocese in 1957, of which the last one was that in every congregation there be a well organized plan to bring non-Church people to baptism and confirmation. The objective can be accomplished if every single Episcopalian participates.

The committee plans for an intensive personal person-to-person evangelistic effort from August to Advent, Sunday, in December. Thus the period of the Preaching Missions will be a means of introducing others to the Episcopal Church.

The heart of our endeavor will be "Each One Bring One". Some will bring more than one to baptism and confirmation. The report to Bishop Kennedy will be given in every Church on Advent Sunday.

Complete details will be in the hands of the clergy by August 1st. Meanwhile, lay people should start now to decide upon their candidates who will be their own personal responsibility to enroll.

The method of enrollment will be a three-way enrollment card. One card will be for the individual to keep, giving the name of his or her candidate. The second card will be given to the candidate, stating his or her interest in knowing about the Episcopal Church. The third card will be a report to Bishop Kennedy for Advent Sunday when the individual will tell the Bishop the results of his or her missionary endeavor to bring his or her candidate to baptism and confirmation.

The Committee will prepare special bulletins, brochure, posters, and newspaper publicity. But it must be remembered the success of this 5th objective will rest upon each and every Episcopalian in the Hawaiian Islands. This means Laymen's League, Woman's Auxiliaries, Sunday Schools and Day Schools.

Chairman

Dr. and Mrs. Masatoshi Matsushita

Stop in Honolulu

Dr. M. Matsushita, President of St. Paul's University, Tokyo, Japan, and Mrs. Matsushita, stopped in Honolulu for a day on their return to Japan. He was the envoy of the Prime Minister of Japan and went to England to protest the H-Bomb test on Christmas Island.

Both Dr. and Mrs. Matsushita are great Church workers in Japan.

Family Camp Periods

This year a new type of camp will be held — that of families going to Mokuleia for a short period of fellowship, worship and play. The first group will go from August 17th through lunch on August 21st. The second group will start with dinner on August 21st and disband after breakfast on August 25th.

The Bishop and the Reverend Paul M. Wheeler will be in charge of the camps.

Plan now to set aside a date for your family. It will be a wonderful experience for all who are in attendance.

The price of the camp periods will be announced later.

Charles Crane, Mrs. Crane and Jennifer.

New Appointments in Hawaii

The Diocesan Family is to see many new faces with the coming of June and July. Three of our Candidates for Holy Orders, now in Seminary, will graduate and be ordained to the Diaconate before their arrival in Hawaii: Charles Tarleton Crane, Masao Fujita, now at the Church Divinity School of the Pacific, and George Hayashi, who is at Virginia Theological Seminary. Mr. Crane and Mr. Fujita will be ordained at St. John's Cathedral, Spokane, Washington, on June 23 by the Rt. Rev. Russell B. Hubbard acting for the Bishop. Mr. Hayashi will be ordained on June 15th by the Rt. Rev. Charles L. Street, acting for the Bishop, in the Cathedral Church of St. James, Chicago, Illinois.

Upon ordination the Rev. Mr. Crane will be assigned to the staff at St. Andrew's Cathedral in charge of the Department of Christian Education. He, his wife, Diane, and daughter, Jennifer, will arrive on July 5th aboard the Lurline.

Mr. Crane was born in Honolulu April 11 1928, the son of Mr. and Mrs. Ezra J. Crane and grandson of Charles S. Crane, former Mayor of Honolulu, and A. H. Tarleton. He attended Punahou and graduated from Maui High School in 1946. He graduated from the University of Iowa in 1951 with a degree in mechanical engineering. He served in the Korean War as a Second Lieutenant in the Army Corps of Engineers. After his service he returned to Maui and was employed as an engineer with the Hawaiian Commercial and Sugar Company, until his decision to enter divinity school.

Masao Fujita

Following ordination the Rev. Mr. Fujita will go to Grace Church, Molokai. He is the son of Mr. and Mrs. Asayo Fujita, Eleele, Kauai. A graduate of Daniel Baker College, Brownwood, Texas, he served in Korea after two years in seminary and returned to complete his work following this period. He assisted with work at Holy Trinity Church and our summer camps last year during the interim from his release from Service and entering seminary. He will arrive in Honolulu on June 27th.

The Rev. Mr. Hayashi was born in Los Angeles, California, June 20, 1919, the son of Mr. and Mrs. Toshiji Hayashi, both of whom are deceased. He spent some of his boyhood in Japan, with relatives, and San Francisco Junior College from 1939-1941. He graduated from Roosevelt College, Chicago, Illinois, in 1954, following which he entered Virginia Seminary. He will be assigned to St. James' Mission, Kamuela, Hawaii.

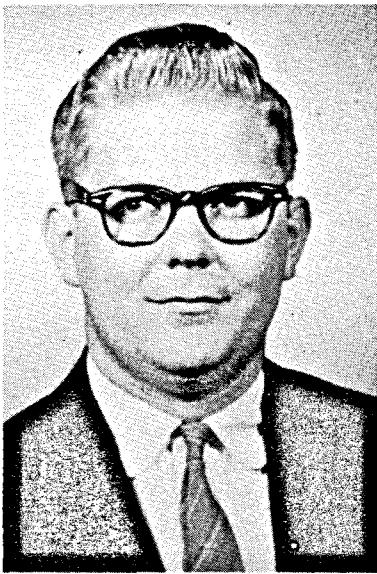

St. John's Mission, Kula, Maui

Mr. Donald Terry, now at Bexley Hall, Gambier, Ohio, will graduate this month with honors. He was reared and educated in Southern Ohio. He will be assigned to St. John's Mission, Kula, Maui. He has a wife and a son, Richard, age 4 years. He comes to us with highest recommendations from his former bishop and his Seminary Dean.

All of these men will go to Greenwich, Connecticut, June 12-22, for the meeting of all outgoing missionaries. They then will come to Hawaii. We shall welcome them to our Diocesan Family with a very fond Aloha.

The Reverend W. Edwin Bonsey, Jr., Assigned To St. Stephen's Church, Wahiawa

The Reverend W. Edwin Bonsey, Jr., Vicar of Grace Church, Molokai, will succeed the Reverend Gerald G. Gifford, II, as Vicar of St. Stephen's Church, Wahiawa.

Donald Terry

He will take up his new duties immediately after the summer camp sessions at Mokuleia, of which he is to be the Camp Director. He will have his first service on August 18th. He has done a successful work on the Island of Molokai during his ministry the past three years. We wish him every success in the new assignment given to him.

Taking Services at St. Timothy's Mission, Aiea

The Rev. Canon Paul R. Savanack, Administrative Assistant of the Diocese, is taking the services at St. Timothy's Mission, Aiea. He has been assigned to this work by the Bishop.

The Reverend Robert Sheeran was taking this work and that of St. George's Mission, Pearl Harbor. The work in both places has grown so that it has been necessary to have a man in charge of each mission.

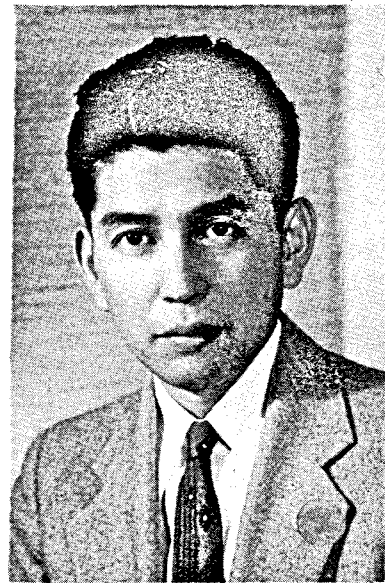

Canon Savanack is still carrying on his duties as Administrative Assistant.

To Accept Fellowship at General Theological Seminary

The Reverend G. P. Mellick Belshaw, Vicar of St. Matthew's Church, Waimanalo, will leave in July to accept a two-year fellowship at General Theological Seminary. During his three years in Hawaii he has done an excellent work at St. Matthew's Church. It has grown under his leadership.

The Rev. Mr. Belshaw and Mrs. Belshaw welcomed a new son, their first child, on May 8th. They have named their son after Mrs. Belshaw's father, Richard Wheeler. We congratulate father, mother and son.

The Belshaws have made many friends for themselves

Deaconess Sarah Swinburne looks at the remains of Restarick Hall, St. Mary's Mission, Honolulu, as it is being torn down to make room for a new building.

Iolani Graduate Appointed to Air Force Academy

The appointment of Oahu's Teney K. Takahashi to the U.S. Air Force Academy was announced from Washington, D.C., recently by Delegate John A. Burns.

Takahashi, a University of Hawaii freshman, originally was nominated by former Delegate Elizabeth P. Farrington to fill the one yearly vacancy at the Air Force Academy awarded to Hawaii.

Two alternates also were named.

Teney will represent Hawaii in the third class of the new Air Force Academy, Colorado Springs, Colorado. The class begins in July.

Cadet Takahashi 19 years old, left on May 15 with the University of Hawaii Air Force R.O.T.C. drill team to compete in the West Coast A.F.R.O.T.C. final competition at the University of California in Berkeley.

The drill team marched in the Armed Forces Day Parade in San Francisco.

Takahashi was graduated last year from Iolani School.

School officials said he was "a very good student" and participated in many extracurricular activities.

Chester G. Minton, Rector, Mrs. John William Searle and Mrs. Daisy McKeague. Mrs. Minton is pictured in back of Mrs. Devereux.

St. Christopher's, Kailua, Starts Building Program

St. Christopher's Church in Kailua has grown to such an extent in its short span of 12 years that it was necessary to build an addition to the church facilities in all departments. As a result ground was broken on Sunday, April 14th, for a new educational building, an addition of 100 seats in the church edifice, and a new parking lot.

Participating in the ceremony, with the Rev. Chester G. Minton, Rector, officiating, were the heads of all activities of St. Christophers, and several of the original founders. Mrs. John W. Searle turned the first shovel of earth, followed by Mrs. Roy E. Devereaux and Mrs. Daisy McKeague, and heads of St. Christopher's organizations.

The contractor is T. Takahashi, Ltd., and building will start immediately. The architect is Edwin L. Bauer. The cost will be between ninety and one hundred thousand dollars.
