APRIL • 1958

HONOLULU, HAW.

Members of the Senior Class at St. Andrew's Priory who will graduate on June 3rd.

On March 20th, one day before the Church began its eighth year on Okinawa, the Nazareth Kindergarten of the Church of S.S. Peter and Paul in Naha graduated its first class. These twenty-two Okinawan children represent the first fruits of a grant from the United Thank Offering which made the building of this school possible. Nazareth Kindergarten which was designed to accommodate eighty children began its second year on April 9th with an overflow enrollment of eighty-six children. Shown here with the children is the Principal, Canon William C. Hefner and the six Okinawan teachers of the school.

Travel In Fashion

In order that the five delegates from Hawaii may attend the Triennial Meeting of the Woman's Auxiliary, at the time of General Convention, a Fashion Travelogue is being planned under the capable chairmanship of Mrs. F. Gordon Halstead and is being sponsored by the Diocesan Woman's Auxiliary. This is to be held at the Royal Hawaiian Hotel on May 17th at 12:30 p.m. in the Monarch Room.

Fashions will be shown by McNerney's which will be suitable for cruise wear, as well as for air travel to Europe and the Mainland.

The price is \$4.00 — which we hope everyone will put aside for this occasion. This includes \$2.75 for the guaranteed delicious luncheon, including tax and tip. The remainder goes to the Triennial Travel Fund. The event promises to be one of the outstanding women's affairs of the spring season, so join the many who will be in evidence on May 17th. Send our women off to Miami Beach in style with a smile!

Appointed Archdeacon Of Maui

The Ven. E. Lani Hanchett, Vicar of Holy Innocents Church, Lahaina, Maui, has been appointed Archdeacon of the Island of Maui and Molokai. We congratulate him on the honor that has come to him, so deservedly, and feel sure that his leadership will continue to foster the work of the church on these islands.

Dedication Luau

A luau to celebrate the completion of the Cathedral will be held in the Cathedral grounds on May 31st, from 3:00 p.m. to 6:00 p.m.

Mr. Samuel Chu is general chairman and promises a very unusual and attractive luau. Mrs. Kenneth O. Miller is in charge of the donations. Anyone wishing to donate pigs, chickens, salted salmon, coconuts, poi, soft drinks, paper plates, cups and spoons, ti leaves, crotons, pineapple, taro leaves, cake, sweet potatoes, opihi and dried fish are asked to contact her.

Everyone is asked to place this date on his or her calendar and to join in the great celebration.

Honored By Governor Of Guam

The Reverend Richard H. Baker, Vicar of the Church of St. John the Divine, Agana, Guam, has been designated by the Honorable Barrett Lowe, Governor of Guam, as one of the members of the Liberation Day Executive Committee, which is the observance of the liberation of Guam from the Japanese forces on August 1, 1950. On December 8, 1941 (the same day as the attack on Pearl Harbor, but a different dateline) the Japanese attacked Guam.

The annual observance of both of these events is the highlight of civic activities on the Island.

Diocesan Staff—Miss Katherine M. Morton, Diocesan Secretary and Secretary to the Bishop, Mr. Henry F. Budd, Diocesan Treasurer, Mrs. Clarence Lee, Secretary to the Treasurer and Administrative Assistant, The Rev. Canon Paul R. Savanack, Administrative Assistant.

To Be Rector of The Church Of The Good Shepherd, Wailuku, Maui

The Reverend William Anderson, of Quincy, Florida, will go to the Church of the Good Shepherd, Wailuku, Maui, as rector. Announcement of his coming to Hawaii was made in the last issue of the Hawaiian Church Chronicle. He and his family will arrive in Honolulu on May 5th and he will go to Maui on May 12th, having his first services in the church on May 18th.

We shall welcome him and his family as members of our Diocesan Family, and know that the Church of the Good Shepherd will be delighted to have them as leaders.

Australian Bishop Stops In Honolulu

The Rt. Rev. and Mrs. Thomas Thornton Reed, of Adelaide, Australia, stopped in Honolulu for a day en route to Lambeth Conference. They brought us the distressing news that our good friend, Archbishop Howard W. K. Mowll, of Australia, has been suffering from ill health. We know that all of our people will wish to remember him in prayer.

Junior Episcopal Churchmen

The Junior High boys and girls of the church have organized themselves as the Junior Episcopal Churchmen of Hawaii (JECOH) on a Diocesan-wide basis; and it is the hope of the Department of Youth that every parish and mission will do something toward an organized program for this age group.

An Oahu Council of JECOH is now planning for the Summer Conference, June 15-27.

The Summer JECOH Conference at Camp Moku-leia, June 15-27, will be a Conference, not a camp. Each Parish and Mission will be entitled to *four delegates*, preferably 2 boys and 2 girls.

This is a Diocesan Conference and neighboring Island Churches should send delegates if possible. We recognize the expense factor here and hope that Vestries, Guilds, and individuals will help so that every Parish and Mission will be represented.

It is suggested and recommended that each Island organize a JECOH Council to coordinate the work of the Junior Churchmen on the separate islands.

Sister Evelyn Ancilla, Sister Superior of St. Andrew's Priory, the Bishop and Sandra Yoshioka read the letter announcing her award from the "Living Church."

Confirmation Class presented by the Rev. Arthur Ward recently at St. Barnabas Mission, Ewa Beach. The mission was started in December 1957 and is our newest Mission.

Sandra Yoko Yoshioka Has Winning Essay

Sandra Yoko Yoshioka, daughter of Mr. and Mrs. Ralph H. Yoshioka, 57 North School St., has received word from Milwaukee that she has won first prize of one hundred dollars in cash and a gold medal in a national essay contest sponsored by *The Living Church*, an Episcopal Church magazine. Sandra's essay on the contest theme: Christian Race Relations: was published in the April 20, 1958, Church School issue of *The Living Church*. The essay was first place winner in a preliminary school contest and was entered by her school, St. Andrew's Priory, in the national contest.

Sandra is sixteen years of age and is a sophomore at St. Andrew's Priory. She is a member of Holy Trinity Church, whose vicar is the Rev. Lawrence H. Ozaki.

Excerpts from her essay follow:

CHRISTIAN RACE RELATIONS

Dandelions, bluebells, orchids and pinks,
 Field mice, elephants, rabbits and minks,
 Butterflies, fireflies, aphids and bees,
 White pine, black willow and red wood trees,
 Peacocks, sparrows, crows and swallows,
 Brown men, white men, red, black and yellows.

By Sandra Yoshioka

Judging from God's many and varied creations, it is evident that He intended this world to be gay, colorful and interesting—a beautiful world of peace and harmony, with all colors, sizes and shapes merging into one, to form a perfect unity.

When God included mankind in His realm of miracles, He must have had great hopes and plans for them. For He had created them with the loving care of a father, in His very own image and has even delegated to them some of His great powers. But here again it is obvious that He did not want the monotone of uniformity. He has made them in different colors and races. As it is stated in the Bible, "God hath made of one blood all nations of men to dwell on all the face of the earth."

Although God has stressed variety in all His creations, His love for them is never varied. He loves each and every one of His children equally "because of their differences more than in spite of them."

Camp Periods Set

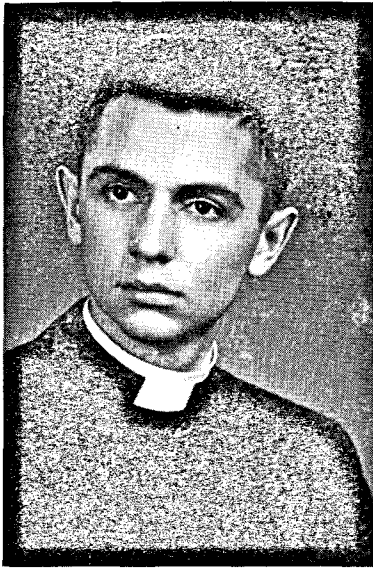

The Diocesan Camp Periods have been announced by the Reverend Paul M. Wheeler, Diocesan Chairman for Youth. They will be:

Session	Age	Dates
1	8 & 9	June 29 through July 11
2	9 & 10	July 13 through July 25
3	10 & 11	July 27 through August 5

A camp period is \$35. Blanks for registration may be secured through your church or from the Rev. Mr. Wheeler.

Parents are already inquiring about the camp. The camp will be supervised by the Reverend Norio Sasaki, who last year helped with the camp during the entire summer. He will be assisted by clergy of the diocese and a capable camp staff.

We urge parents to make early application for attendance of their children.

The Reverend Humke

The Reverend William Pollock

To Join Clergy Staff

The Reverend William Pollock, former rector of St. Peter's Church, Denver, Colorado, arrived on May 1st to start work in the Diocese.

A graduate of Colorado State Teachers College and St. John's Theological College, he served in the Diocese of New Mexico and Virginia before going to Colorado. From 1943 to 1946 he was a Chaplain in the United States Army. He has been rector of St. Peter's Church since 1946.

Mrs. Pollock will come to Hawaii in October. She is remaining in Denver until two of her sons enter college and the third son accepts a position as a teacher in California. We shall look forward to her arrival then.

The Reverend Richard Herbert Humke, curate of Trinity Cathedral, Davenport, Iowa, will arrive in July. He is a graduate of the State University of Iowa and Virginia Theological Seminary. He was ordained in 1956, and has been curate of Trinity Cathedral since then. He is unmarried.

We shall welcome these two men with a very warm Aloha.

Diocese Status

Since we in the Missionary District of Honolulu look hopefully to the day that we may attain Diocesan status, we commend the Missionary District of Arizona for its declaration that it will become a diocese on January 1, 1959.

In the Episcopal Church, a diocese is a self-supporting area, while a missionary district is in part supported by the national Church.

Leave For Mainland

The Reverend and Mrs. Donald Terry and son, Rickey, left for Cincinnati, Ohio, on April 16th. The Rev. Mr. Terry was Vicar of St. John's Mission, Kula, Maui, having come to Hawaii in June, 1957. Because of ill health it was necessary for him to return to the mainland.

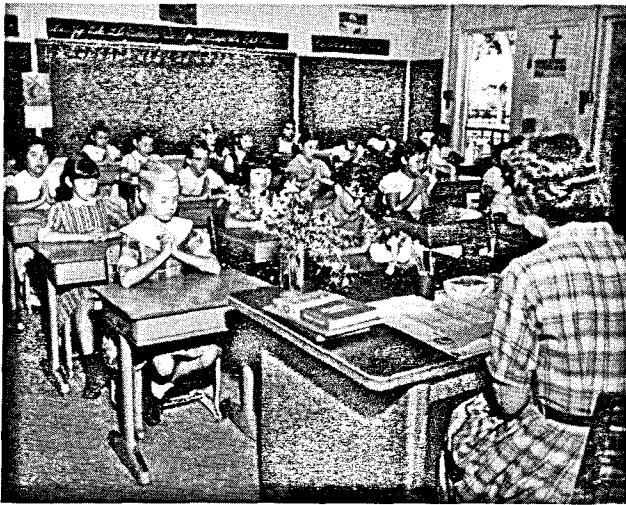

The Terrys will be greatly missed at St. John's Church and in the Diocese. They had made many devoted friends in their short stay in the Islands. We send them forth with our blessing and affectionate Aloha, and wish them all that is good in the days ahead.

United Thank Offering To Be Early

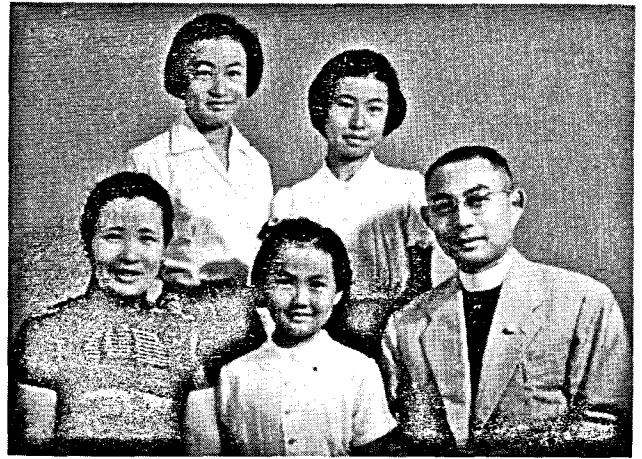

The United Thank Offering for the fall will be held on August 24th so that we may send our offering in on time for the Ingathering at General Convention at Miami Beach on October 10th.

Bishop Kennedy, with other missionary bishops, will participate in this service.

Mrs. Willard Buscher, Diocesan Chairman for the UTO, has asked that if our women plan to be away from the Islands on August 24th that they will make a particular effort to get their offerings in before they leave. We are most anxious that this missionary district, which has shared so generously in past years from this offering, has a very generous report to make to General Convention.

St. Andrew's Priory girls start the morning with devotions.

The Rev. Mark Ma, Kaohsiung, Taiwan, and his family. The Bishop will ordain him priest in June.

In Memoriam

The Reverend Edmund L. Souder, retired clergyman of this Missionary District, passed away in Alhambra, California, on April 7th, after an extended illness.

He was for many years a priest in China, until forced to leave there because of the Communist occupation of Red China. From there he served in Cincinnati, Ohio. He came to Honolulu in 1945 and served at St. Mary's Mission, then St. Mark's, from 1946 to 1953. He then went to Los Angeles, California and worked until illness forced him into retirement.

It was during his time at St. Mark's Church that the new church building was started and much of the money for its erection was raised. He and Mrs. Souder worked untiringly toward this fund. At the time of its dedication the people of St. Mark's had them return to Honolulu to participate in the service.

The entire Diocese joins in extending deep sympathy to Mrs. Souder and to her family. Mrs. Thomas Jones, a daughter, lives in Honolulu and is a member of the Church of the Holy Nativity.

Welcome New Son

Michael Young Jin Kim, fourth child of the Rev. and Mrs. Stephen E. T. Kim, of St. Columba's Mission, Paauilo, arrived on March 20, 1958 to join the family and to become a member of our Diocesan Family. He is the Kim's second son. We extend congratulations to him and his family and welcome him into our Diocesan Family with affection.

Furlough Time Again

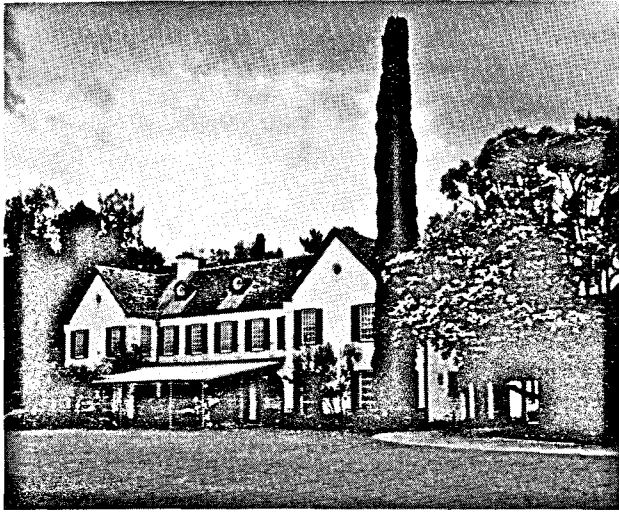

The Rev. W. Edwin Bonsey, Jr., Vicar of St. Stephen's Church, Wahiawa, Oahu, and his family left on April 16th for Berkeley, California, on furlough. While on the mainland the Rev. Mr. Bonsey will take further study at the Church Divinity School of the Pacific, in Berkeley. He will also be our delegate to the Synod of the Province of the Pacific, in Reno, Nevada, May 6th through the 8th.

On May 29th the Very Rev. James S. Cox, Dean of St. Andrew's Cathedral, will leave with Mrs. Cox and their son, Stephen, to attend the graduation at Princeton, of their son, James, Jr. Their son, Brice, is completing his first year at Princeton, so they will be able to see him, as well. They will spend the summer on the east coast.

The Rev. Canon William C. Heffner, in charge of our work on Okinawa, will leave in September for his furlough. While on the mainland he will attend General Convention in Miami Beach. He hopes to stop in Honolulu for a couple of weeks on his return to Okinawa in November.

The Rev. Paul M. Wheeler, of St. Clement's Parish, and his family will leave the first part of June for three months on the mainland. They will visit relatives and friends in California while away.

The Rev. Canon Paul R. Savanack, who will be our clerical delegate to General Convention, will leave the latter part of August for his furlough. He will go first to visit relatives in Ohio, then on to General Convention. From there he will return to Honolulu via England, France, Hong Kong, etc., stopping in Taiwan and

Mrs. Cooper's Home.

Okinawa, Guam and Wake to see the Church's work there.

The Reverend Alfred C. Krader, Vicar of St. John's Church, Eleele, and St. Paul's Church, Kekaha, Kauai, will leave on furlough with Mrs. Krader the latter part of May. He expects to accept a post on the mainland and will not return to the Islands after his furlough.

We extend to the Kraders our affectionate Aloha and pray that God will abundantly bless them in their new post. We appreciate the splendid contribution he made to the Church's work on Kauai.

Accepts Washington Post

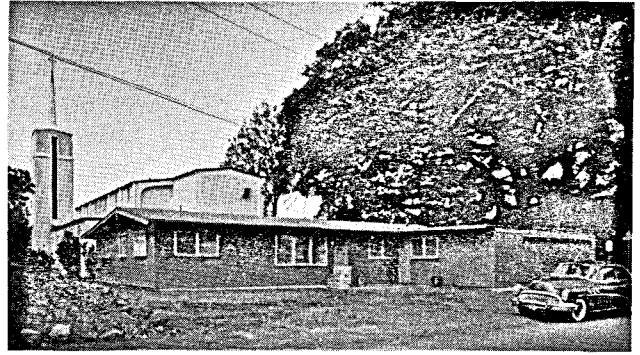

The Reverend J. Robert Jones, rector of St. Peter's Parish, Honolulu, has accepted a call to become associate rector of St. Alban's Church, Washington, D.C. He and his family expect to leave the Islands the latter part of June.

While in Virginia Seminary the Rev. Mr. Jones served St. Alban's as lay assistant. He has been in the Islands since 1952, serving first as Vicar of St. James' Mission, Kamuela, Hawaii and as chaplain of the Hawaii Episcopal Academy, now known as the Hawaii Preparatory Academy.

From there he went to St. Andrew's Cathedral as curate before serving briefly at St. George's and St. Timothy's churches. He became rector of St. Peter's Parish in 1956.

He is chairman of the Diocesan Department of Promotion and Vice President of the Honolulu Ministerial Union.

The many friends of the Jones will regret their departure, but we all join in sending them forth with our affectionate Aloha and prayer for God's blessing in the new work he will undertake.

The Rev. Canon Wai On Shim and Mrs. Shim have moved into their new rectory at St. Elizabeth's Church, Honolulu.

Diocese To Receive Wonderful Gift

Mrs. Katharine McGrew Cooper, of Makawao, Maui, has given our Diocese a deed for her home and 8.79 acres of land. This generous and wonderful gift is being given by Mrs. Cooper with the desire that the Church establish a private school for girls. Such a school would be similar to our Academy for boys.

This magnificent estate will make an ideal setting for such a school and will fill a great need in our Islands. Many parents have asked that the Church sponsor a school for girls.

The entire Diocese extends to Mrs. Cooper our sincere thanks for this generous and thoughtful gift. It is a gift that will bring blessings to the lives of many in the years to come.

The Best Memory System

Forget each kindness that you do
 As soon as you have done it;
 Forget the praise that falls to you
 The moment you have won it;
 Forget the slander that you hear
 Before you can repeat it;
 Forget each slight, each spite, each sneer,
 Wherever you may meet it;
 Remember every kindness done
 To you whate'er its measure;
 Remember praise by others won
 And pass it on with pleasure;
 Remember every promise made
 And keep it to the letter;
 Remember those who lend you aid
 And be a grateful debtor;
 Remember all the happiness
 That comes your way in living;
 Forget each worry and distress,
 Be hopeful and forgiving;
 Remember good, remember truth,
 Remember heaven's above you,
 And you will find, through age and youth,
 That many hearts will love you.

Notes From The Diocesan Woman's Auxiliary

In this day of soul-searching and self-analysis, we find even the Church is not exempt from the trend.

Archbishop William Temple says: "Do not begin *ever* considering what is wrong with you without first being quite sure your mind is directed towards the glory of God as it has shone forth in Jesus Christ."

With this in mind, one of our windward Woman's Auxiliaries set out on a program of self-analysis of the Auxiliary led by the minister.

Two evenings were set aside for serious contemplation as to the role of the Woman's Auxiliary *should* and does play in the life of the Church.

The first program was given over to a hypothetical case of a visitor being present. "Why should this visitor wish to come back to the next Auxiliary meeting?" In other words, why should an Auxiliary continue to exist? Why not close it down! With these rather startling declarations thrown before the women; the Auxiliary was divided into seven groups for exploration of this fantastic idea. After due consideration they reported back the results to be read and tabulated for future thinking and on this note-of-continued-until-next-month serial idea they adjourned.

At the next regular meeting the program continued. The membership was again split up into small groups and asked to discuss these questions:

1. What are the strongest points in our Auxiliary life?
2. What are our weakest points?
3. Complete this sentence—"I wish our Auxiliary would do this"

The conclusions were written down and turned over to the local branch's Auxiliary Executive Board for its guidance in working out the Auxiliary over-all program in the immediate future.

Perhaps each of the local branches might wish to devote a session to this novel idea. You, too, tabulating your results.

And on the possibility of being accused of being like the old-Saturday-morning-movie-melodrama; we won't report until next month some of these findings. You, too, check your conclusions against this one Auxiliary's efforts; and send your contributions and conclusions to be included.

But as we begin our self-analysis lets keep in mind Archbishop Temple's admonition:

"There are many aids to self-examination. Some of them are excellent, but some are quite dreadfully bad. I want to suggest how you may know which are the bad ones. If they confront you with a series of questions, all referring to actions, they are bad, because our self-examination must not mainly refer to

actions . . . Let your self-examination, as far as possible, concern motives. Confront yourself with the Christian character as it is set out in the Beatitudes or in St. Paul's articulation of the Fruit of the Spirit or with some other analysis of the mind of Christ. See how far your character corresponds with this, as exhibited in your actions, feelings, plans and hopes."

Sister Clara Dies In Glendale, Ohio

Sister Clara Elizabeth, of the Community of the Transfiguration, died at the Mother House in Glendale, Ohio, on April 9th after an illness of some duration.

She was Sister Superior at St. Andrew's Priory from about 1930 to 1938, during which time the Restarick Hall wing of the main building was constructed and the six classrooms of Sellon Hall were built. During this period of the time the enrollment of the school increased substantially, and the curriculum was broadened.

Her memory will be held dear by many who were students at the Priory during the time of her leadership.

Lenten Diocesan Poster Contest

Carole Anne Ishimaru, Church of the Holy Apostles, Jean Nakata, Church of the Holy Innocents, Thaddeus Fountain and Christopher Strauss of St. Andrew's Cathedral were selected as winners of the Diocesan Poster Contest held in connection with the Lenten Missionary Offering.

Judges were Mr. Robert H. Meltzer, Mrs. William Kenda, and the Rev. Shelton H. Bishop. They selected two winners from each of the categories 7-10 and 11-13 years of age.

In the 7-10 category, Thaddeus won first prize and Christopher, second. In the older age group, Carole Anne was the winner with Jean the runner up.

There were no entries in the 14-17 classification.

We thank the teachers and students who helped to make the contest such a success.
