### The Bishop's Prayer for the Episcopal Centennial Advance Program

*Bishop Kennedy has called upon all the clergy and laity of the Diocese to ask God's blessing on the Episcopal Centennial Advance Program from now until the end of the Campaign using the following prayer:*

**A**lmighty God, who has brought us into the Church of Thy dear Son, prosper, we pray Thee, all our endeavors to strengthen and extend Thy Church throughout these Islands, and in the world.

Look with favor upon our plans to prepare this Diocese to meet the opportunities Thou art placing before us.

Enlarge our vision and increase our faith that we may know ourselves to be called of Thee to attempt great things for Thy Kingdom. As faithful stewards of Thy bounty may we be moved to give in the spirit of joy and gratitude to the Episcopal Centennial Advance Program.

We beseech Thee to move the hearts and will of all our people to give and serve until our purposes are accomplished, to Thy honor and glory.

We ask this in the name of Him who taught us to give when He GAVE Himself upon the Cross, Thy Son Jesus Christ our Lord. *Amen.*

Through the Episcopal Centennial Advance Program we can experience a renewal of our unity and dedication which will strengthen and enrich every phase of our life and every single congregation!"

## Special Convocation On February 6

The diocesan capital fund campaign has been designated the Episcopal Centennial Advance Program, commemorating the coming of the 100th anniversary of the Episcopal Church in the Hawaiian Islands. The campaign will be inaugurated at a Special Convocation with an afternoon and evening session, to be held at Tenney Hall, St. Andrew's Cathedral on Monday, February 6. ### **Bishop Burroughs And Mr. Rude To Speak**

The Special Convocation which will kick off the Episcopal Centennial Advance Program will feature the Right Reverend Nelson M. Burroughs, Bishop of Ohio, and Mr. Chester A. Rude, Vice-Chairman of the Board of the Security First National Bank of Los Angeles, and former General Lay Chairman of the Diocese of Los Angeles Episcopal Advance Fund.

Mr. Rude will speak at the afternoon session on "The Voice of Experience." Bishop Burroughs will give a special address to the delegates and special representatives at the evening dinner session at the Sheraton Meeting House.

### **Island Rallies To Be Held**

Following the Special Convocation, Island Rallies for all church members, and local parish and mission dinners will be held to bring information, inspiration, direction and a workable plan to each congregation. Preceding each Rally, a workshop session and dinner will be held for Rectors and Vicars, Parish Chairmen, Committees, and workers. Bishop Kennedy and the General Lay Chairman, Mr. Rudolph A. Peterson, will address each Rally.

### **Campaign Week**

During the week of March 19 to 26, all Episcopal Church families will be visited and invited to share in this great effort for our Diocese. With each Church member giving prayerfully and sacrificially, we shall be able to celebrate appropriately a glorious victory on Easter Day.

### **Campaign Officially Authorized**

The campaign is the outgrowth of a study made by a committee under the direction of the Very Reverend James S. Cox, Dean of St. Andrew's Cathedral. After hearing the committee's report, the 1960 Annual Convocation accepted it and authorized that a capital funds campaign be conducted in the spring of 1961, concluding on Palm Sunday. The Convocation also stated that this campaign have priority over any other campaign being considered between the fall of 1960 and the spring of 1961.

### **First Diocesan Campaign**

This will be the first diocesan capital fund raising effort since the establishment of the Church in the Islands.

A minimum goal of \$375,000 has been set. This will provide for diocesan endowment looking towards eventual full diocesan status, missionary expansion, conference center and camp development, and the start of a new school for girls on Maui. It will also help provide for an increased ministry for our Church by participation in the expansion of the Church Divinity School of the Pacific.

## The 59th Annual Convocation

The Right Reverend and Mrs. Anson P. Stokes, Jr., will arrive from Boston in late January to be guests of the 59th Annual Convocation of our Missionary District, to be held February 3-8.

The Bishop of Massachusetts was Canon of St. Andrew's Cathedral from 1945 to 1950 so will return to Hawaii warmly welcomed by his many friends. He will give the address at the Opening Service of Convocation on Sunday night, February 5th, at 7:30 p.m., in St. Andrew's Cathedral. He will also address the Episcopal Young Churchmen at their banquet on Friday night, and the Junior Episcopal Churchmen of Hawaii Saturday noon at their luncheon. Both will be held at the Reef Hotel.

The Right Reverend and Mrs. Nelson M. Burroughs, of the Diocese of Ohio, will arrive on February 5th, as guests of the Special Convocation for the Episcopal Centennial Advance Program. Bishop Burroughs will address the Special Convocation dinner at the Princess Kaiulani Hotel, Monday night, at 6:30 p.m.

Another special guest for the Special Convocation will be an outstanding layman of the Diocese of Los Angeles, Mr. Chester A. Rude.

A reception honoring our guests of Convocation will be held in Davies Hall, following the Opening Service of Convocation.

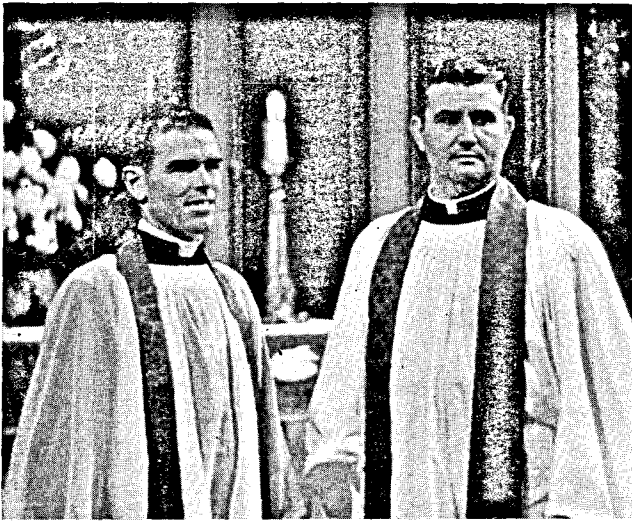

BISHOP STOKES

It is the hope of the Bishop that as many of our members as possible will reserve the dates of Convocation to be present for all meetings.

Mrs. William Jarrett, Diocesan President of the Episcopal Churchwomen of Hawaii will preside at their annual meeting on Tuesday, February 7th, and Wednesday morning, at the round table discussion.

## Cupid Scores Again

Two more of our bachelor priests have announced their engagements during the Christmas holidays. Mr. and Mrs. Stanley C. Lowry, of Santa Barbara, California, announced the engagement of their daughter, Anne Adair, to the Reverend William Hamilton Aulenbach, Jr., assistant rector of Holy Nativity Church, Aina Haina. The announcement was made at the home of the Reverend and Mrs. John J. Morrett at their annual Christmas open house.

Mr. Aulenbach is the son of The Reverend and Mrs. William H. Aulenbach, Sr., of Germantown, Pennsylvania. Miss Lowry is a teacher at the Holy Nativity Day School.

The couple will be married June 17th by the Bishop, at Holy Nativity Church.

The Reverend Thomas D. Hughes, of St. Andrew's Cathedral, announced his engagement to Miss Margaret Ann Masters, on Christmas Eve. She is the daughter of Mr. and Mrs. George L. Masters, of Minneapolis, Minnesota, and a teacher at Iolani School. She is a member of St. Andrew's Cathedral.

The Reverend Mr. Hughes is the son of Mr. and Mrs. Franklin E. Hughes, of Athens, Ohio.

The wedding will be sometime this summer, with the Bishop officiating.

## Accept Full Salary

The Venerable Charles T. Crane, Vicar of All Saints Church, Kapaa, Kauai, and Archdeacon of Kauai, and the Reverend Thomas H. F. Masson, Vicar of St. George's Mission, Pearl Harbor, have informed the Diocesan Office that their churches are assuming the full salary of the Vicar. This is a great step forward toward the self-support of the Diocese and we are indeed proud of this achievement.

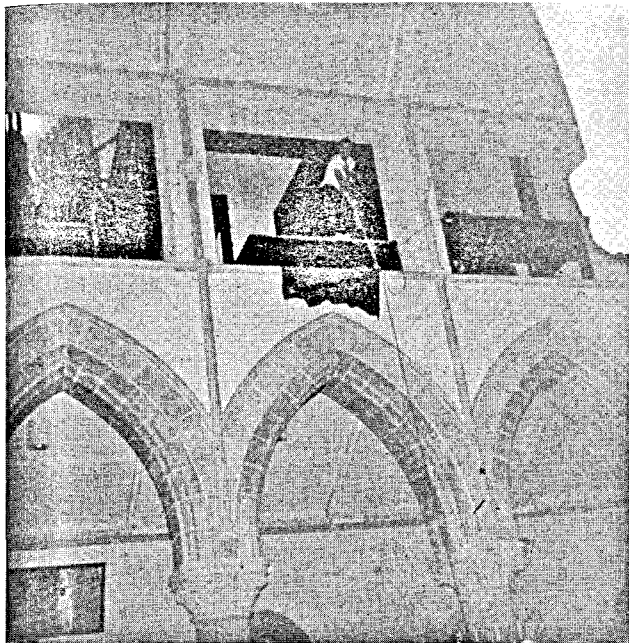

## Extend Sympathy

Sister Monica Mary, of St. Andrew's Priory, was called to her home in Rice Lake, Wisconsin because of the serious illness of her mother, Mrs. Arthur R. P. Hayes. Her father is a retired clergyman.

Mrs. Hayes passed away on December 8th. We all join in extending deep sympathy to Sister Monica and her father.

## With Deep Regret

It is with deep regret that the Bishop announces the resignation of Mrs. Florence Judd as head of our Diocesan Altar Guild. A recent serious illness has made this necessary. We are deeply grateful for her many years of devoted and gracious service, and pray God will soon restore her to health.

Installing organ in St. Andrew's Cathedral

### It Takes An Artist To Do It

Have you ever seen an AEolian-Skinner organ before it was put together? To look at the parts strewn out in a big room you would first wonder whether a drainage system was to be installed in a Cathedral, or what—with pipes ranging from 16 inches to the size of a small pencil—4,121 of them.

The new organ being installed in the Cathedral of St. Andrew, Honolulu, is being done by Mr. Lawrence L. Schoenstein and his son, Terrence. They are representatives of the Company in San Francisco, and are the fourth generation of their family to do this intricate and important work, Mr. Schoenstein's grandfather having come from Germany to install organs for this company.

The organ is custom made for the Cathedral. Mr. Schoenstein will do the final voicing of the instrument so that it will perfectly fit the acoustics of the Cathedral. The novice, when he views boxes and boxes of parts put in order with such titles as "Ped Mix," "Liebel Ged, GT Violone, Ant Gl Teu (18)," "S. W. Harm Fl, S. W. Acuta III R. K. S., Ch Block Fl (Top end)" becomes bewildered and confused. Straight pipes, curved pipes, rubber-looking pipes—where they will go "round and round" to make the melodious sounds of chimes, bells, organ tones for choirs and such demanding tones as are necessary for playing the correct interpretations of such composers as Bach, Men-

### The Presiding Bishop's Fund For World Relief

Holy Nativity Church, Honolulu, recently sent in an interesting assortment of coins for the Presiding Bishop's Fund for World Relief. There were over 5,000 coins, weighing over 35 pounds. Scattered among the coins were a Mexican five cent piece, five Canadian pennies, one English farthing, one Japanese yen, one two and half dollar gold piece, one German penny and a Belgium 20 centime. The total amount raised for this was \$198.14.

### Presiding Bishop's Theological Education Sunday Message For January 22, 1961

Episcopalians' role of responsibility for the training of men for the ministry is emphasized by the Right Reverend Arthur Lichtenberger, D.D., Presiding Bishop, in his message for Theological Education Sunday, to be observed January 22.

With thirteen young men from Hawaii in seminary, we have a real responsibility toward giving generously to the Theological Education Sunday offering. All of these men will be assigned to Hawaii, Okinawa or Taiwan.

dolssohn, Brahms, Handel, Stainer, Devorak and others. Mr. Schoenstein and his son have the secret. Mr. Schoenstein says this is the second time his son has installed an organ with him, so he hopes that he will become a traditional part of the family and join the AEolian-Skinner Company as an organ builder. It is a fascinating skill, but one that brings great pleasure to the many privileged to hear their finished task. All organs of this company are custom built for the individual church or institution purchasing them. The Cathedral organ, upon completion, will cost \$110,000. It has four manuals, six divisions, fifty-one stops, and seventy-one ranges.

It has been a privilege to have Mr. Schoenstein and his son working at the Cathedral. They have had to be athletes, as well as artists, to get the parts up a small ladder to the organ loft, where they are installing them.

### The 59th Annual Convocation . . .

(Continued from Page 5)

Bishop Stokes and Bishop Burroughs will speak to the clergy at their conference on Wednesday morning, which will be held in the Diocesan House.

All meetings of Convocation will open with a service of Holy Communion in the Cathedral at 8 a.m., at which the Bishop will be celebrant. St. Andrew's Priory Choir will sing at the Communion service on Monday morning and the Iolani School Choir on Tuesday morning.

The combined choirs on Oahu will sing for the Opening Service on Sunday evening, led by Mr. James McClendon, Organist and Choirmaster of St. Andrew's Cathedral.

The Bishop will give his Annual Address on Monday morning, in Tenney Memorial Hall.
