Thirty-Five Years of Service

Mr. Bing Fai Lau, Business Manager of Iolani School, was honored at a dinner at the Hon Kung Restaurant, on Wednesday, May 6th, at 7 p.m. A 9-course Chinese dinner was served to the large assembly of faculty members, alumni members of Iolani, and friends.

Mr. Lau came to Hawaii as a boy from China, and after his graduation from Iolani School in 1928, joined the staff of the school where he became a much beloved figure in the life of the school. He rose through the ranks to his present position, and few people in the 101-year history of the Iolani have served with such dedication.

The school scholarship program has always been particularly near to his heart, so in recognition of this a cash gift of over \$1,200 was given to him to be added to the Father Kenneth Bray Scholarship Fund.

In addition the Board of Governor's of the school gave him a gift of a trip to attend the Association of Independent Schools meeting in February, to be held in New York. Mrs. Lau will accompany him. He and Mrs. Lau were also given a trip to Kauai for a weekend in any hotel of their choice.

One delightful phase of the evening had been worked out by Mr. James Loomis—that of having the former headmasters of Mr. Lau's years bring him greetings via a tape recording—Mr. William Buttles, now of Kealahou, Hawaii, Mr. Ralph Monell, Superintendent of Schools in Canon City, Colorado, The Reverend Arthur L. Lyon-Vaiden of Christ Church, West River, Michigan, The Reverend Charles Parmiter, San Miguel School, San Diego, and The Reverend Frederick A. McDonald, Munich, Germany. His two sons and daughter-in-law, on the Mainland, also sent their greetings.

President of the Alumni, Mr. Roy Chung, The Bishop, and the Reverend Burton A. MacLean, Headmaster of Iolani, paid tribute to Mr. Lau.

Diocesan Layman Appointed

Mr. Frederick Overstreet, Vice President and Manager of Pacific Finance under Von Hamm Young Company and a member of St. Clement's Church, has been appointed by the Bishop to succeed Mr. Elmer Hutchison as Diocesan Key Layman.

He is a devout layman of the Church and will give splendid leadership to the men of the Diocese.

Heads of Oahu Schools Meet

The Reverend Burton A. MacLean, Diocesan Chairman of Parochial and Parish Schools, and Headmaster of Iolani School, held a meeting of all school principals in the Diocesan House on Wednesday, May 13th, having a luncheon meeting for the purpose of exchanging mutual problems and policies. Those attending were: The Reverend Messrs: W. Edwin Bonsey, St. Elizabeth's, Joseph H. Pummill, St. Mark's, Paul H. Kim, St. Luke's, Norman C. Ault, Holy Trinity, B. J. Clark and Fred G. Minuth, Holy Nativity, Burton L. Linscott, Epiphany, and Delbert S. Westling, St. Christopher's. Mrs. Kay Basker, St. Clement's Church, and Sister Evelyn Ancilla and Sister Lucy Caritas, of St. Andrew's Priory also attended, as did the Bishop.

Graduations

The Hawaii Preparatory Academy will have commencement exercises at Kamuela, Hawaii, on Friday morning, June 5th. St. Andrew's Priory will be that night at 7 p.m. Iolani School will have its graduation service at 5 p.m. on Tuesday, June 9th.

In charge of the occasion were: Mr. C. T. Wong, '30, Dr. Andrew L. Morgan, '38, Mr. Clarence K. Karimoto, '23, and Mr. James Loomis, Alumni Director.

It is well to recognize the good in a man while he is still in his prime. We know this must have been a most heart-warming experience for Mr. and Mrs. Lau.

Ordained to the Priesthood

An impressive ordination service was held at St. Alban's Chapel, Iolani School, on Friday, April 10th, at 10 a.m., when the Reverend William Reeves, Jr., was ordained to the Priesthood by the Bishop, acting for the Right Reverend Walter Henry Gray, D.D., Bishop of Connecticut.

The Chapel was filled to capacity with the boys of the upper high school grades of the school and friends of the Ordinand. The Reverend Richard A. Kirchoffer, Jr., Vicar of St. Timothy's Church, Aiea, preached the Ordination Sermon. The following clergy assisted with the service: Burton A. MacLean, Headmaster of Iolani, read the preface to the Ordinal, David P. Coon, Registrar of the school, read the Epistle, Keith McPherson, Chaplain at Iolani, read the Litany for Ordination, Joseph H. Pummill, Rector of St. Mark's Parish, the Gospel. The Reverend Arthur Ward, Vicar of St. Alban's and Chaplain at Iolani, presented the Ordinand. The Reverend John P. Engelcke, in charge of Canterbury House at the University of Hawaii and Assistant at St. Clement's Church, was the Bishop's Chaplain. Mr. Walter Kau was organist and Randall Kau, Acolyte. The Junior and Senior Choirs for Iolani sang.

Adding joy to the occasion was the fact that the parents of both Mr. and Mrs. Reeves were present for the service. Mr. and Mrs. William Reeves, Sr., came from Southport, Connecticut and Dr. and Mrs. H. C. Weinsenbarger from Lima, Ohio.

A most delightful luncheon was served for the clergy and guests in the Iolani Teachers' Lounge following the service.

Seabury Hall News

The benefit dinner-dance at Seabury Hall on April 4th was a tremendous success and realized \$1,500 for new books for the school library. Combined with the many gifts of books made to the school this money will insure that we will start September 1964 with an excellent assortment of reference books for the students and faculty. The dinner-dance was such an outstanding event on Maui that it is to be an annual event.

The Venerable Roger M. Melrose, Headmaster, and his wife left for the Mainland on April 6th to visit the Annie Wright Seminary in Seattle, Washington and the Bishop's School in La Jolla, California to gain information and orientation for the opening of Seabury Hall. The heads of these schools were extremely generous in making every bit of information and experience available to them.

A new brochure for Seabury Hall has won acclaim. It was designed by Mr. Lee Radner and is truly a work of art, as well as an informative leaflet. Mr. Melrose said, "As a matter of fact, the brochure is so attractive that the dean of my theological seminary (The Church Divinity School of the Pacific) who ranks as an internationally known New Testament scholar, asked that if the board of the seminary fired him, could he be considered for a position as a master in English."

The dormitory is well under construction and the temporary Headmaster's home is nearing completion from additions and renovations.

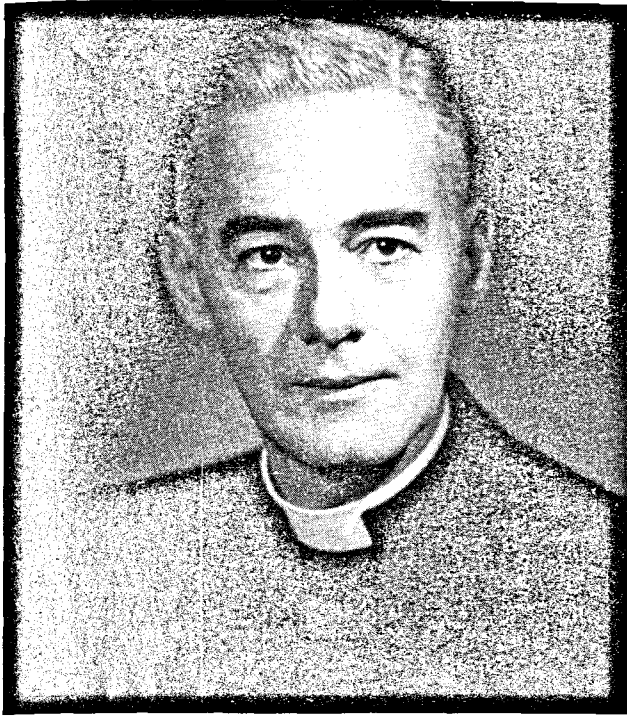

The first Board of Trustees meeting was held on Maui, May 2nd, with the Bishop presiding.

Applications are now being received for the school. Much interest has been shown in entering the fall term. We can accept only 60 boarding school members. There will be boy and girl day students in grades 7 through 10.

Seabury Hall is open to any girl who wants what Seabury has to offer. First of all the applicant must have a desire to go to college, for Seabury's aim is to prepare its students to do college level work. This means the curriculum is geared to the solid subjects of mathematics, English, literature, languages, history, art and music. To be competitive at the college entrance level there must be a solid preparation in the "front line" courses.

Seabury will offer a college preparatory curriculum, small teacher-pupil ratio, and a Christian community life.

One Way to Meet a Need

Droughts, floods, hunger and disease are early lessons for Korea's 2½ million slum occupants and for the mind of a child there is no reason for such suffering.

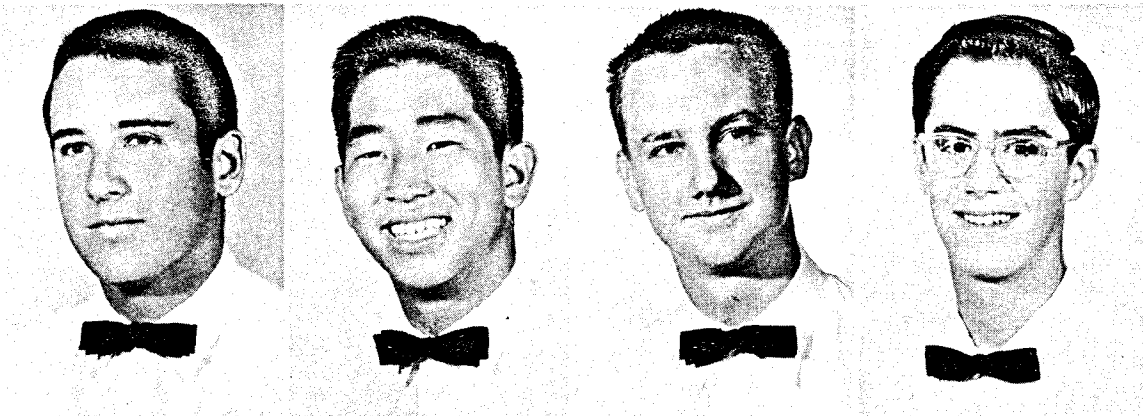

Born after the Korean War, many of these children cannot see that bombed cities and burned forests mean refugees and floods for years to come.

Our generous gifts of food and clothing mean the difference between life or disease for many. Not only in Korea, but in thirty countries in Asia, Europe and the Middle East, Africa and Latin America the need is great.

Wandering on a mountainside in Korea is a boy who desperately needs a new shirt. Halfway around the world is an Episcopal housewife doing her spring cleaning. The possibility is there for the shirt which she finds Johnny has outgrown to find its way to Stephen Kang in Korea.

The United Clothing Appeal is a part of Church World Service which meets the need for clothing and bedding in underprivileged areas on an interdenominational basis all over the world. The Episcopal Church participates in Church World Service through the Presiding Bishop's Fund

Becomes First Bishop of Columbia

The Reverend David Benson Reed, Vicar of St. Matthew's Church, in Rapid City, South Dakota, was consecrated the first bishop of Columbia, South America, on Saturday, April 25th, in Trinity Church, Tulsa, Oklahoma, by our Presiding Bishop, Arthur Lichtenberger, assisted by The Right Reverend Reginald Heber Gooden, Bishop of the Panama Canal Zone and the Right Reverend Joseph M. Harte, Bishop of Arizona.

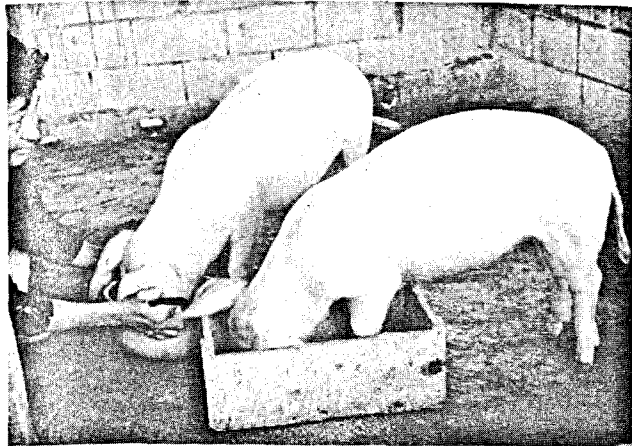

Just prior to his election, at the annual meeting of the Bishops in Little Rock, Arkansas, the bishops designated the entire 440,000 mile area of the Republic of Columbia as a new missionary district of the Episcopal Church.

Bishop Reed began his ministry as an Episcopal priest in Columbia. He is only 37 years of age. He is married and has four children.

Greek Orthodox Church Observes Easter

The Greek Orthodox Church observed Holy Week from Palm Sunday, April 26th, to May 3rd, its Easter Day, in Parke Chapel, St. Andrew's Cathedral, Honolulu. Father Peter Balam, came from Los Angeles for the observance.

It was with great joy that the clergy of St. Andrew's Cathedral joined in assisting those of the congregation of the Greek Orthodox Church in observing this occasion.

Little Pigs for Market

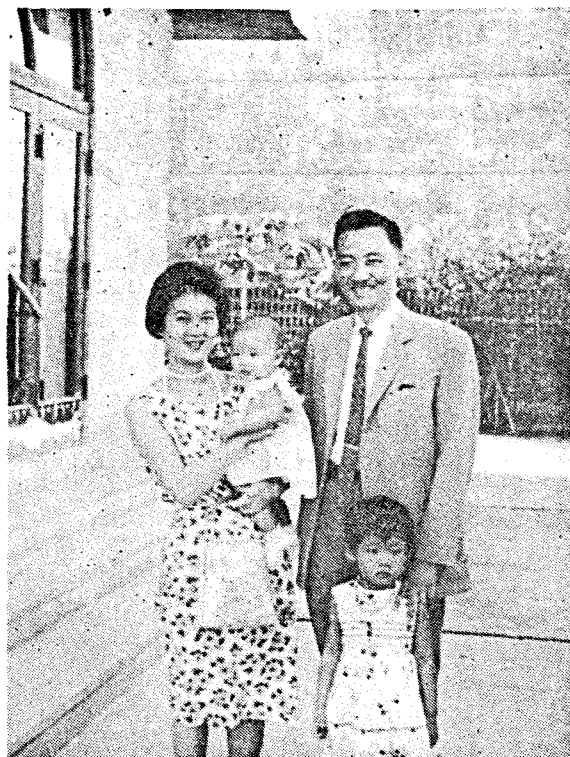

The church in Miyako Island is in the pig business. This is one of the projects of the Okinawa Mission to assist ex-lepers to settle outside of the leper colony. Already the church has assisted three families to make the adjustment to live on the "outside." One family is in the chicken business, one has a taxi, and one is now raising Landrace hogs, bred from registered stock that originated in Denmark and came to Okinawa via Iowa. Mr. Shinzato, who is in charge of the pigs, hopes to raise enough money to buy them from the church this Fall when both pigs will have their first litters. This breed which is new to Okinawa is in such demand that Mr. Shinzato has already sold "rights" to ten unborn pigs and is using the money to buy feed. Canon Hio has written to the Reverend Peter Shinjo, our priest-in-charge of the church's work in Miyako, that he has heard of selling stocks short but that this is the first time that he has heard of selling pigs short. Father Shinjo wrote back a letter to assure the Canon that we need not worry about covering our short position since the pigs were innoculated for every possible disease and would surely come through in October.

Episcopal Centennial Advance Program

Our Episcopal Centennial Advance Program over the past three years has blessed the Missionary Diocese of Honolulu. It has stirred the imaginations and lifted the sights of the members of our Church family.

The Advance Fund, although not completed, has been a tremendous success. We are seeing the fruits of that endeavor all around us in the construction of new churches, parish houses and vicarages, as pledges are being paid.

We are thankful that because of what you have given

Mr. Herbert H. P. Ma, of Taiwan, Lay Deputy elected to General Convention, Mrs. Ma, and children.

and will give, we are in a much stronger position to do our work for God, by providing better facilities to reach out in new ways and new locations with greater effectiveness.

There is approximately \$145,000 still to be paid. We believe that our churchmen will see that their payments on their pledges are paid in full. The three year period ended in April, but we will most certainly extend this period to enable those who are in arrears to complete their payments. The Board of Directors has issued a request that an extension of time be given.

Losses by deaths and removals also make it imperative that all those in arrears complete their payments to enable us to fulfill our commitments. These obligations are important, and should be treated as a solemn obligation to our Lord and His Church. Christians do not withhold from God what they have promised to God.

All ECAP treasurers and the clergy are urged to diligently go over their pledges and take the necessary steps to complete the job. We commend St. Stephen's Church, Wahiawa, and Emmanuel Church, Enchanted Lake for completing their pledges 100%.

Our Diocesan Gift Shop

The Episcopal Gift Shop

Now is the time to take advantage of all the lovely new gifts that have arrived from Saigon, Hong Kong, Taiwan, Okinawa, and Japan so that you may have them in readiness for June weddings, graduations, and Christmas.

Plan to visit the Gift Shop in the Diocesan House yard and make your selection of gifts for the friends and loved ones you wish to remember. You will be "Oh-ing" and "Ah-ing" along with the rest who have been in to purchase gifts.

Clergyman Given Grant

The Reverend Arthur B. Ward, Chaplain at Iolani School and Vicar of St. Alban's Chapel, has been granted the Coe Fellowship award, which will enable him to attend the 1964 Institute of American History at Stanford University from June 22 to August 15.

Coe Fellows are chosen on the basis of intellectual maturity, personal accomplishment and promise as teachers. The Reverend Mr. Ward is a specialist in American history and government. He came to Iolani School in 1957.

The true saint is a good mother, a good neighbor, a good constructive force in society, a fragrance and a blessing.

An Appeal From Our Presiding Bishop

To the People of the Episcopal Church:

The search for racial justice in our country continues to produce difficult and painful situations within which the Church is called to minister. Recognizing that each of us has a share in this work, our National Council at its December meeting asked me to make a special appeal for one hundred and fifty thousand dollars to enable our Church better to respond in 1964 to the demands and opportunities the crisis presents.

Each of us is involved in the struggle for racial justice, some by the circumstances of conflict in which they live; others less directly but nonetheless actively; all by our prayers, our citizenship and our giving. For it is a mark of our freedom already given in Christ Jesus to share in the reconciliation of men in our nation.

Your contributions may be sent to me at the Episcopal Church Center. Checks should be drawn to the order of Lindley M. Franklin, Jr., Treasurer.

ARTHUR LICHTENBERGER
