Dear Mr. Dolman:

As you know our home in Kualoa has finally sold. It was a difficult market for our type of property, but your agents DORA & SYD KRAUL persevered and got the job done. Their professionalism and follow through was outstanding! Even after the buyer was obtained they took care of numerous details to see that the sale was properly finalized.

They also helped immensely with the purchase of an excellent unit in Pua Alii in Kaneohe and we are very happy with it!

We wanted you to know that DORA & SYD have gone the "extra mile" for us and that we will use them again if we have need for a Realtor in the future!

Aloha,

Rudy & Ululani Dumeau
